MINUTES OF THE 70TH ANNUAL GENERAL MEETING OF MWDBA

Held on 4th July 2020 at MWDBA Clubhouse, Aquatic Drive, Frenchs Forest, NSW, 2086

- 1. Meeting opened at 5:04 pm**
- 2. Present**

Quorum achieved.

- 3. Apologies**

Cheryl Amir

- 4. Confirmation of previous AGM minutes**

Proposed by Joe Weller and seconded by David Gledhill.

- 5. President's Address**

PJ Patterson opened by acknowledging 70 years of Manly baseball. He thanked and acknowledged all the club's sponsors and the Junior baseball club presidents.

PJ noted the wins during the season in State League, Minor League and Junior League.

PJ talked of the threat the club has faced with relation to grounds and that he was confident that this threat is now resolved. The focus can now move forward to growing the game in the district. PJ made special mention of all the behind-the-scenes work required to have the grounds in great condition. He finished noting that baseball in the Northern Beaches was well placed for good things and acknowledging the commitment of the people in the room to achieving this and looked forward to the year ahead.

- 6. Presentation & adoption of Annual Report**

Presented by PJ Patterson. Proposed by Mark Lowe and seconded by Stuart Hanrahan.

MWDDBA

ANNUAL GENERAL MEETING 2021

7. Presentation & Adoption of Financial report

Simon Lowde ran through the Treasurers' report. Proposed by Michael O'Neill and seconded by Noel Markham.

8. Appointment of Auditor

It was tabled that the RSA would appoint the auditor.

9. Nominations for Life membership

Move to accept Noel Markham as a Lifetime member of the club.

Vote: Unanimous

10. Election of Office Bearers

President: PJ Patterson - unopposed

Treasurer: Simon Lowde - unopposed

Secretary: Stuart Hanrahan- unopposed

11. Appointment of General Directors

Junior: Brook Russell, Mark Lowe

State League: Ashley Roberts, Mike O'Neill

Minor League: Greg Dodds, Cheryl Amir

12. General Business

Cancellation for Life membership

Move to cancel Angus Mould's Life membership of the club.

Vote: Unanimous

13. Meeting closed at 5:33pm

MWDBA

ANNUAL GENERAL MEETING 2021

CHAIRMAN'S REPORT 2021

Welcome to the Manly Baseball District Association annual general meeting 2021.

To say that the last 12 -15months have been challenging is probably an understatement. The lingering effects of the Covid pandemic continue to echo across our lives. For the most part our local competitions have returned to normal but the specter of Covid is still present.

Despite that we have seen the slow relaxation of restrictions and a general return to normalcy around the diamond. In fact, MWDBA has just hosted the Intermediate (U13) and Junior League (U14) State Titles at Aquatic over the Easter weekend. To quote a former US President; "it was a yuge weekend!" I have continuously lobbied Baseball New South Wales to host this event at Aquatic and this will be the 3rd time in 5 years that we have hosted. The reality is there are very few permanent baseball facilities in Sydney and we have one of them! The State Titles weekend was well attended by supporters of all teams competing and the canteen did very well.

As you all know our grounds were under threat of being taken by the State Government (to relocate Forest Highschool) and whilst we have not received 'official' confirmation that the proposed high school will NOT be built on Aquatic the unofficial communication is that the site is not acceptable. Probably because it is an old tip site which continues to subside and has all sorts of nastiness buried below. As such I believe the RSA Board has breathed a collective sigh of relief that the grounds are now secure.

With the relocation debacle and Covid behind us the RSA Board can now refocus on the most pressing issues facing baseball in our association. In no particular order I believe these to be improvement of the Aquatic facilities, growing player numbers across all competitions, implementing a standardized and consistent representative baseball program, implementing standard coaching and umpiring training across all competitions, improving and evolving our governance and finally, improving the communication and relationship of all competitions in the MWDBA Association.

ANNUAL GENERAL MEETING 2021

I am sure you will agree that the aforementioned list contains a number of important issues. The RSA Board will prioritize them and set in motion plans to get them done. To that end I am excited about where our organization is headed. In the past two years I have observed a significant positive shift in how the RSA operates. The idea that we are in a boat and that we must all row together at the same cadence to go anywhere is a message I have been preaching.

I believe we are almost there in the sense that the recognition we are 'One Manly' is taking hold. The whole of Manly is much greater than the sum of its parts and I genuinely believe that our Association is in the best position of any to capitalize on the synergies that 'One Manly' can offer. So, watch this space.

None of what we do as an RSA is possible without first having an awesome Executive team. A big thank you to Simon Lowde (Treasurer) who works tirelessly for the association. Stuart Hanrahan (Secretary) took over the secretary role in 2020 and has made significant contributions to the Board. It would not be possible to operate our association without the dedication of the entire board. The work they put in for their respective leagues is above and beyond.

To the committee presidents: Michael O'Neill – State League President, Helen Wyatt – Minor League President, and Brook Russell – Junior League President, a very sincere thank you. Darren Kelly who stepped into the role of Representative Coordinator has done an incredible job of getting all our Junior rep teams organized for their respective State Title campaigns. To the rest of the RSA board thank you for your support and contribution throughout the year. I'm looking forward to working with all of you again.

Finally, to all the individual members of each of the division committees, State League, Minor League, Junior League, and the Representative Committee; thank you for the wonderful job you do of running each division and keeping the game going.

Yours in baseball

PJ Patterson

ANNUAL GENERAL MEETING 2021

JUNIOR COMPETITION COMMITTEE REPORT 2020-21

Executive Committee:

Brook Russell	(Forest)	Chairperson
Mark Lowe	(Pittwater)	Secretary
Vacant		Registrar

Board Members:

Owen Harris	(Forest)
David Gledhill	(Seasiders)
Jayson Page	(Pittwater)
Chris Gailloux	(Warringah)

Firstly, I would like to thank the Junior Baseball Committee for their tireless efforts in administrating baseball in the Manly Warringah District. The Committee dedicated a significant amount of their time to the betterment of baseball, both as representatives of Manly Baseball and their own clubs.

Competitions were run across all age groups from U8 to Senior League Ball with a total of 64 teams participating from all 4 clubs. It was unfortunate for Manly Baseball that the reformed North Shore Baseball Club was unable to participate in the 2020-2021 season.

The start of the 2020-2021 Manly Warringah Junior Baseball season saw the competition commence under the pall of the COVID-19 pandemic. Much of the planning for the season by all levels of Manly Warringah Baseball was undertaken with trepidation that season may not proceed, but cautious optimism that despite the social environment Manly Warringah had a robust and exciting season of baseball.

Despite a few isolated pockets of concern, particularly the Northern Beaches outbreak over our Christmas break, we had an outstanding season. The whole of Manly Warringah Baseball, committees, players, families, umpires, officials and volunteers are to be congratulated on what could not have been achieved without a herculean group effort.

MWDDBA

ANNUAL GENERAL MEETING 2021

Junior Baseball again ran a mid-week (Wednesday Night) Intermediate League competition. The competition involved 4 drafted teams with the players drawn from all clubs. The competition enabled many of the players to participate in two divisions during the season and the uniqueness of the draft system allowing many of the players to compete against team-mates from their Saturday teams and more diverse age group and skill levels. The result of which was the improvement of individual baseball skills by the end of the season. Several of the competition rounds coincided with State League rounds, enabling the younger players to witness high quality baseball, support the senior teams and see what awaits them if they continued their baseball career into adulthood.

The Senior Competition was again run on a Friday night with 4 teams participating from Forest, Pittwater and Seasiders. I would like to congratulate the Senior League players who have completed their Junior Baseball careers and hope that continue with baseball in the Senior Competitions.

The Junior Competition for 2020-2021 had 701 player registrations with the following breakdown:

Forest Baseball Club	258
Manly Seasiders Baseball Club	158
Pittwater Baseball Club	205
Warringah Baseball Club	79

The registration numbers and team numbers were an increase on the 2019-2021 season despite the environment of the pandemic. The Junior Committee and Club Committees should be congratulated on driving the growth of Manly Baseball, this should bode well for the competition in coming years.

The final series was hosted by Warringah Baseball Club. Congratulations to Kris Gailloux and the Warringah Club on running a successful final series. The Intermediate League finals played on Wednesday evening and the Senior League finals played on Friday evenings. The final series saw some intense games played across all divisions.

ANNUAL GENERAL MEETING 2021

The Grand Final series had to be delayed a week due to the torrential rain that occurred. Despite the postponement, the Grand Final series was played on a beautiful autumn day. The day was started with the all teams, officials and spectators gathering for the Australian National Anthem and the ceremonial first pitch thrown by Warringah Baseball Club stalwart, Brett Eisenhauer to his grandson and keen baseballer, Hunter Eisenhauer. Extra innings, tight score lines and exceptional individual play kept everyone on the edge of their seats during all of the games. The quality of the baseball played was outstanding.

Congratulations to the following teams for being Minor Premiers at the conclusion of the Competition Rounds:

Under 9	Warringah Goats
Zooka	Warringah Barracudas
LL Minor	Pittwater Seahawks
LL Major	Forest Athletics
Intermediate League	Dodgers
Junior League	Manly Seaside Hornets
Senior League	Pittwater Dolphins

Congratulations to the Coaches, Assistant Coaches, Managers, Scorers, Pitch Counters and the families involved with the Minor Premier teams.

Congratulations to the following teams that were Champions in the respective divisions:

Under 9	Warringah Goats
Zooka	Forest Mariners
LL Minor	Pittwater Seahawks
LL Major	Forest Athletics
Intermediate League	Dodgers
Junior League	Manly Seaside Hornets
Senior League	Manly Seaside Panthers

MWDDBA

ANNUAL GENERAL MEETING 2021

Congratulations to all the Coaches, Assistant Coaches, Managers, Scorers, Pitch Counters and the families involved with the Championship teams.

Congratulations to the Minor League and State League competitions on their respective seasons.

On behalf of the Manly Warringah Junior Baseball Committee, I wish thank the Manly Warringah District Baseball Association Committee (RSA), the Minor League Competition Committee and the State League Competition Committee for their support of Manly Warringah Junior Baseball, as coaches, mentors, parents and supporters.

Congratulations to the clubs, their teams, team officials and importantly the parents for supporting the Manly Warringah Baseball Competition by allowing their children to participate in this year's competition.

It is my hope that aside of the pressing issues that are currently occupying significant resources of the District Baseball Association, that Manly Warringah Baseball continues to prosper and that kids keep playing and enjoying baseball.

Brook Russell

Junior League President

MWDBA

ANNUAL GENERAL MEETING 2021

MINOR LEAGUE REPORT 2020-21

MWML continues to be a significant part of MWDBA, hosting a Winter 2020, Summer 2020/21 and Autumn Masters Tournament over the last 12 months. This, despite the challenges of Covid-19, and an unusually wet summer, not to mention having 4 different Presidents at the helm in that time frame. (Many thanks to Michelle Camphuis, John Farrant and Darren Kelly, who have all commandeered the ship over the last 12 months).

The ability of Minor League to continue to get the show on the road, is due to the growing committee of committed individuals, who dedicate significant time and energy towards grounds maintenance and competition logistics, all while coaching junior teams, umpiring, or playing or all of the above. The closer association of Minor League with the Clubs, with appointed Senior Club Coordinators on the ML Committee is starting to see the rewards with retiring junior players recruited into the ML ranks and more parents taking up the game for the first time. This close affiliation has also meant that the headache that can accompany registrations is now under the management of our 4 Clubs.

Our current president, Helen Wyatt is ably supported by our Senior coordinators, Joe Weller (Forest) [and VP Masters], Aaron Gunning (Seasiders), Darren Kelly (Pittwater), Matt Eisenhauer (Warringah), Andrew Turner, (who keeps everyone updated (and amused) on our ML Facebook page), Simon Lowde (MWDBA Treasurer), and Michelle Camphuis (returning Recorder). A special note of thanks too to Greg Dodds and Cheryl Amir our outgoing MWDBA Delegates for keeping us abreast of the RSA activities.

Our seasons would not be possible without the support of our many umpires. We were fortunate to have David Chaffers-Welsh as our umpire coordinator who took on the role to find umpires to plate and field most of our games, and importantly had the blues officiate our GF's. On behalf of the whole of Minor League, a very big THANK YOU for taking on this role for so many years, Dave. I would also like to acknowledge (and further encourage) the rise of the young umpiring teams of Zac Murphy, Aiden Rodgers, Jaden Grand and Troy Withnell who have done a phenomenal job this year.

MWDBA

ANNUAL GENERAL MEETING 2021

Winter 2020

Minor League was one of the few leagues to hold a 12 round winter competition in 2020, attracting a record **22 teams (273 Players)** across 4 grades.

John Farrant was instrumental in getting this competition up and running, despite the challenges brought on by Covid-19 and our players have expressed their gratitude in being able to get onto the ball park through a very challenging time for us all.

Grade Winners:

1st Grade: (4 Teams)

Winners: Petersham

Runners Up: Pittwater Piranhas

MVP: Adam Charman

2nd Grade: (4 Teams)

Winners: Warringah Redbacks

Runners Up: Forest Royals

MVP: Brendan Haithwaite

3rd Grade: (6 Teams)

Winners: Forest Fighters

Runners up: T&T Reds

MVP: Laura Eisenhauer

4th Grade: (8 Teams)

1st past the post: Seasiders Panthers

2nd place: Seasiders Cougars

Summer 2020/2021

The Summer 2020/2021 competition has grown from a single grade and 7 team competition in 2016/17 to a 2 grade and healthy **14 teams (174 players)**. In addition to the ongoing Covid-19 challenges (including a Northern Beaches lock-down), the weather (both hot and wet) presented a set of challenges that brought out the heroes in our midst. Joe Weller, John Farrant, Matt Eisenhauer, Simon Lowde, Todd Eisenhauer, Noel Markham, and many others, worked tirelessly pumping water, re-laying turf, raking diamonds and mowing to ensure that only a handful of rounds were lost to the rain and a Summer Grand Final was achieved, despite a 1 in 100 year flood.

1st Grade:

Winners: Forest Renegades

Runners Up: Warringah Redbacks

MVP: Adam Charman

2nd Grade:

Winners: Warringah Redbacks II

Runners Up: Seasiders Eagles

MVP: Matt Eisenhauer

Tough Dogs Masters 2021 (Over 35's) Vice President: Joe Weller

The Tough Dogs Masters (so named thanks a generous sponsorship from **TOUGH DOGS 4WD SUSPENSION**) is a short Autumn competition run on Monday and Wednesday nights. This **6 team (76 player)** competition for Over 35's is a 10-week competition culminating in a 1st v 2nd GF at the end. The teams should be acknowledged for giving up one of the final rounds of play, to enable the 2nd Grade State League team to play their Elimination final game, which had been otherwise washed out. A win for the 2nd graders put them through to their GF and Runners-up in the State League competition.

Winners: Forest Mavericks

Runners Up: Ballers

MVP: Jeremy Markham

Simon Lowde Perpetual Trophy (President's award): John Farrant & Joe Weller

The last 12 months have been unprecedented. We have navigated a global pandemic, heat waves, and an unbelievable amount of rain and soggy diamonds. Luckily Manly Minor League has heroes within the ranks that have helped us through.

At the end of last summer, we were left with a huge gap in our presidency, and no one clambering to fill the role. Despite numerous other commitments and challenges, a hero stepped up to the plate, again, and through his leadership, we were one of the only associations that got a winter season up and running.

The saying goes it takes a village... and when Covid-19 returned at the end of the year, we were again at a risk of losing valuable game time. But we have determined people who love their baseball. Behind the scenes another hero went above and beyond to get BNSW to reconsider the January re-start, ensuring we got in our opening rounds.

MWDDBA

ANNUAL GENERAL MEETING 2021

And then there's been the rain...and rain...and rain. These same 2 heroes, that helped get our winter, summer and masters seasons' up and running have moved mountains, or should I say dams of water, week in and week out (with the help of a small group of amazing individuals), to enable us to play baseball.

It gives me enormous pleasure to award the Simon Lowde Perpetual trophy not to just one hero, but in an unprecedented year, to 2 heroes who have contributed more than most put in over a lifetime. Congratulations John Farrant and Joe Weller.

Our Future:

While the ML Committee is already hard at work preparing for the next season (Winter 2021), which is shaping up to include a new 5th grade, it should be noted that we continue to be faced with challenges around the deteriorating condition of our diamonds, particularly at Aquatic and the shortage of suitable grounds and training lighting for our growing league. As the league grows, we are also faced with an increasing shortage of qualified umpires. It is pleasing to see our player numbers growing, but without investing in our facilities and training up new umpires we will continue to be challenged to get the show on the road.

Helen Wyatt

Minor League President

Manly Warringah District Baseball Association Inc.

Manly Warringah District Baseball Association Inc

STATE LEAGUE

The Manly Warringah District Baseball Association's 'State League' club provides an environment for all levels of playing baseball. It is a club rich in history, continually seeing members furthering their skills whilst playing for the club. It has seen many graduates move onto playing for Australian, US College and US Pro teams in both men's and women's baseball. Manly State League has a huge wealth of dedicated staff, coaches and volunteers that run the day-to-day tasks that keep the great tradition of baseball going here in Manly. State League is a winning organisation that expects the very best from its players and coaches whilst playing in its colours. Its aim is to continually develop the game of baseball competitively through knowledge and fitness gained in playing for Manly

Mission Statement

To provide our players with the most professional baseball experience possible

Vision

Baseball demands the best from an individual within a teamed environment. It takes great fitness and belief in one's ability to act quickly and precisely to play this game. It also takes patience, dedication and teamwork. As a club we expect players to train to improve their skills, fitness and disciplines of the game whilst recognizing that they need to make extraordinary sacrifices in their work and family commitments to do so. From those sacrifices we expect to win all the time and players will be found out by coaches and teammates when they are not doing the work to better themselves and the team they commit to.

Manly Warringah State League Values

Players

- To play with passion and pride befitting the Manly jersey within the bounds of the rules and the spirit of the game
- To train regularly with purpose and determination
- To play for Manly is to embrace leadership, take ownership; don't follow, get better

Coaches

- To provide every player the opportunity to excel and achieve their highest potential
- To continue to learn to be able to stay up with the game
- To exhibit the same character, professionalism and respect that we expect from of our players

Administration

- To provide a top-notch experience at an affordable cost. Our fees are set with a humble understanding of the costs associated with running a league of this level
- To act professionally is paramount. Manly State League will have several administrators who are strictly devoted to the needs of our coaches, players and families
- To run 'State League' in line with the peak body whilst maintaining and overseeing State League's ideals and values

Fans

- To support and partake in all club activities respecting the Manly Warringah State League's long history whilst embracing the club's ideals and values

Tom Butler	U18's NSW Baseball Showcase Series
Jaylin Rae	College Ball with Central Arizona State University
Aiden Torpey	College Ball with Augustana University, South Dakota
Josh Gessner	Signed with Philadelphia Phillies

Manly Warringah District Baseball Association Inc

State League President's Report 2020- 2021

First up I have to thank our Board & staff of Manly State League.

Viv & John Hughes, Simon Lowde, Ashley Roberts, Luke Eisenhauer, Ben Logue, Sean Chivers and James Miller. Without your valuable help and input the season doesn't happen, thank you.

If we add the coaching team into the mix of Chris Corey, Brian Murphy, Simon Lowde, Tim Clarke, Scott Fielding, Mark Spinks, Grant Anderson, Gavin Parkinson, Sean Chivers, Gareth Elston & Chris Hurley. Let's add another valuable team, our scorers, Melissa Haithwaite, Cheryl Amir, Lisa Mayo, Julie Logue, Jodie Beezley & Mary Milner. Now you're starting to realise how many people it takes to run the club.

But I haven't finished yet. Natalie Hughes, Mary Milner again, Michelle Camphuis (also our Women's delegate to NSW Baseball), Jim Gagen & Andrew Logue all working tirelessly behind the scenes on game day in the canteen, EBSN and ground announcing. Lastly, two very much unsung helpers, our Covid Plan Coordinator and officer Helen Wyatt, who not only wrote up our extensive Covid19 plan but updated it regularly, and Noel Markham, the hardest working grounds man on the peninsula.

Without all these fabulous volunteers and generous help, the season definitely doesn't happen, in what was a very difficult year for all of us to get through just in our normal day to day lives.

A huge thank you to every one of you.

Covid19 saw the season's start on a knives edge. The winter sports were hit hard in some sports and comps actually not playing at all. NSW State League Baseball got under way a month late with the knowledge that the early season's lost rounds would be made up after Christmas. It's probably not needed here by me to recap the playing season, but needless to say we put up week in week out 6 very competitive teams running in 3 competitions.

It's the second year we've had an open women's team playing as Manly, and after the great year they had we're aiming to have two teams next season. There's already good talk amongst the girls to bring along interested friends into the family. And as cricket has been growing with number of players being disinterested in softball all year round, I think we'll see the women's game grow. The board's aim is to have a separate women's committee running themselves so we capture the ever increasing number of young girls playing in MWDBA Juniors.

The 2020-2021 season saw your Manly Eagles represented in the NSW State League Men's competition with 1st grade, 2nd grade, 3rd grade and u18's all playing competitive baseball. Our 2nd Grade team besting all by making the GF. Unfortunately at the time of writing this the weather has pounded Sydney and seen the Grand Final pushed back a week. Fingers crossed they play. The club also ran a team in the MWDBA Minor League Comp. The Futures team, coached by Sean Chivers and assisted by Gareth Elston played in the 1st Div Summer comp. And we also were able to run a team in the NSW Baseball Women's Competition, Div 2. Thanks to all of you for wearing and representing the maroon and white this season.

This season was the first for a number of years where we didn't have imports, which is why as a club we seem to come together to fill in those gaps that saw more players play in more games up and down the ladder. We hoped to have seen Treg and Jules back, and had another lined up, but not to be because of a sightless gem. A huge effort by our Club Coach Chris Corey to actually make that happen. His is probably the hardest role in the club as the brief's easy to read, 'have

enough players for all teams at all times within the rules'. But I've got to tell you it's a difficult one to do each week when someone pulls out late and the knock-on effect can lead to sleep deficiency.

A few notable mentions from this season. Congrats to Josh Gessner on heading back to Clearwater in Florida to hopefully play this season in the Phillies organisation. Covid shut down the minors, so we're fingers crossed Josh gets suited up and selected on one of the ML Phillies rosters.

Jaylin Rae is overseas in the States as well. He's playing with Central Arizona College where he's already having success. Aidan Torpey held off going to college in the States because of the pandemic but is heading over in Aug to Augustana College in Illinois. Aidan's had another outstanding season with Manly and we wish him all the success he deserves.

Zach Murphy has recently committed to head to college in the States. Zach will be attending National Park College in Arkansas. Zach's hard work over the years, especially the off season, is paying dividends. His drive to get himself seen and out there to prospective college coaches should be a lesson for any junior coming through. Zach will succeed in Arkansas I've no doubt. we all wish you well.

Also the club would like to acknowledge and thank Brian Murphy. Brian's involvement with not only us but with the Blue Sox as an Assistant Coach elevates our program by just having him around. His knowledge and experience in the game is one thing, but he commands respect by all every time he takes the field. I know the players enjoyed playing for him and we're keen for his involvement with us for years to come.

Connor Macdonald was regular starter with this seasons Blue Sox team. We're lucky to have Connor play with us as he not only brings great baseball to us but a wonderful attitude on and off the field. The Blue Sox had an indifferent year as a whole because of covid, but Connor was a valuable member of their attack and defence all year right up until he badly broke his finger. Looking forward to his recovery and next season. Well done Connor.

Some of our junior players have made names for themselves this season with selections in NSW campaigns and programs. The National Youth Championships had to be cancelled because of Covid19 so other events were organised to fill the void. We'd like to acknowledge Tom Butler, Josh Beezley, Max Milner, Zac Newbold, Zach Murphy, Wilson Spinks who all gained selections to the U18's NSW Baseball Showcase Series. We'd also like to acknowledge Josh Beezley, Max Milner, Zac Newbold for their selection to the Inaugural National Junior Squad.

EBSN is a huge animal to run in itself; so to Luke and Andrew and all who pitched in, thanks so much. We'd love to see more of you pressing 'LIKE'. It's such a powerful thing for the club as it could mean sponsors \$ through advertising. More of you watching helps our push for sponsors. So if you can't give time, press like. Well done Luke & Andrew. Hopefully next year we have our centre field camera up. If anyone would like to be involved with EBSN, you're always welcome.

We raised another good sum of money for Pink Hope this season. The club ran its second Pink Hope Ladies Day, where raffles and champers happened to add \$ to the pot. The club itself had the players wear pink socks against the Vikings. The club would like to thank all especially the Canterbury Club for getting involved.

This season was trying both on and off the field because of the pandemic. We played hard on the field and worked extremely hard off it to piece the season together. I'm extremely proud and satisfied with everyone's efforts to put so much time in this year, without the sum of everyone it becomes very hard to run.

Thanks again for another wonderful season.

Mike O'Neill
MWDBA State League President

Manly Warringah District Baseball Association Inc.

State League Club Coaches Report 2020 – 2021

Across the baseball community, we had a lot of things to navigate over the last 12 months. A delayed start to the State League competition, Aust Youth Nationals tournament being cancelled, an extended Christmas break with the Northern Beaches being locked down and then multiple weeks of rain causing washouts and postponing the finals series. All things considered, we got through the season safe and sound with minimal injuries in the maroon & white colours and we even had a Manly team making it through to the grand final. Congratulations to 2nd grade and Simon for a winning season and keeping the Eagles in the finals. I think that's something that we can be proud of as a club.

On an individual level, there were some fantastic achievements too. Zach Newbold, Max Milner and Josh Beezley have all been invited to the National Junior Camp with a chance to be selected to represent Australia at the U-18 Baseball World Cup. At the State League level, Josh Beezley won the U18s MVP, Indiana Brown won Rookie of the Year in the women's 2nd Grade competition and Leo Matsuo won the 2nd Grade Pitching Award. Congratulations to the award winners and best of luck to the lads down in Canberra competing for a spot in the Aussie squad.

As always there's a mountain of work that goes on behind the scenes to get the ground ready and to get teams on the field each week and this year it was amplified by the obvious disruptions with QR codes, social distancing and extra restrictions. In no particular order; thank you to Mike, Viv, Simon and all of our committee members, to all of the coaching staff, Brian, Simon, TC, Meat, Mark, Buster, Gavin and Mike, everyone that helped out in the canteen and running the BBQ on game day, Luke, Andrew and the rest of the EBSN crew, our Covid Rep Helen Wyatt, all of our scorers and especially Melissa for scoring multiple games each weekend, anyone else that jumped on the mic to commentate or on the electronic scoreboard to assist with making things run smoothly throughout the season.

I'm sure the coaches will go into more detail in their respective team reports however I also want to acknowledge some individuals that added value across multiple grades this year. We had a handful of guys that helped the club win games purely by sticking around each week on the bench, being available to pinch run, catch bullpens or be a defensive replacement late in the game. Daigo Yamaguchi, Yuki Mizutani, Chris Hurley, Harrison Peters and Kenny Naito lead the way this season. It makes a big difference when coaching and knowing that you have solid players on the bench that can have an impact late in the game, thanks gents.

This will be my last year coaching with Manly Eagles State League for a while at least, and before I close this chapter, I want to say a sincere thank you to Mike, Simon, TC, Meat, Tommy and all the coaches over the last few years. We've spent untold hours discussing lineups and ways to improve our teams on the diamond and yet it's those same conversations that have helped me become a better man (and husband) off the field as well. I'll always cherish those conversations and the countless others with the players and committee members over my time with the club.

As always I will leave you with a quote... *"Change is inevitable, growth is optional."* - John Maxwell

We have a rare blend within the club right now of *senior players* that are passionate about the game & our club colours and of *younger guys and gals* that are talented, enthusiastic and have loads of potential. Let's combine those ingredients with a focus on growing on (and off) the field and see Manly Eagles bounce back in the Club Championship rankings.

Chris Corey
Club Coach

Manly Warringah District Baseball Association Inc.

1st Grade 2020 – 2021

It was an absolute pleasure to coach the Manly 1st-grade team this season.

In what we can only say was a testing and challenging year through COVID, wet weather and key personal losses, I believe we had a successful season.

Due to COVID, we were not able to pick up import players for the year, which in some ways took some of the leadership values from the club. Although this was the same with each other club, I feel it may have hindered us more with so much youth in our playing roster.

We also had some key losses throughout the season, with Nelson Phillips and Connor MacDonald's injuries, Jaylin Rae heading off to college in the US and Lachlan Mayo gaining an opportunity to head south for Medical School. Although these losses were all individually significant, it did allow us to bring some youth into our team to gain valuable experience for seasons to come.

Our win/loss record was not what we had planned nor expected. However, I still believe we had a successful season.

We can define success into three categories:

- Success on the field via win/loss
- Create and maintain a positive team/club culture for player retention and a place that will attract new players in future years
- Filter youth through and allow them to gain confidence playing in the top grade

I feel we hit two of these targets, which will only make us bigger and stronger over the next few seasons.

We also had some success stories:

Aidan Torpey had a season to remember. Aidan had a career year hitting .333 with many of his hits in clutch situations. He was also quite dominating on the mound.

Connor MacDonald hitting some moon shots at Aquatic again at some clutch moments.

Mr reliable Masa Endo lead from the front, whether pitching or catching, he gave 100%. He never complained. He just put his hand up for whatever was needed.

Our pitching staff lead by our regular Wednesday night starter Shohei Arayama. The big show consistently took us deep into the games and allowed us to win each week.

Yoshi Umezawa was outstanding throughout the year. He was our leadoff hitter and became one of our most dangerous offensive weapons.

Jaylin Rae, moving to the US to pursue his dreams is very exciting, and we are all very proud of him.

Youth, Youth and Youth was a huge positive throughout the year. It was so good to see so many young players gain confidence throughout the year earning their place in 1st grade and looking as if they belonged. Gessner, Newbold, Mateu, Beezley, Butler, Brown, Murphy, Haithwaite, Rae, Torpey....., to name a few. These are all players to watch in the years to come.

Just awesome to see Rodney Van Buizen mixing with the young players and passing his experience and knowledge on is invaluable.

I want to thank Chris Corey for all his efforts throughout the year. Chris worked tirelessly, keeping the coaching staff updated, organised and basically on their toes. The incredible workload that Chris does is a testament to his character and work ethic.

Many thanks to Melissa Haithwaite, who was our team Scorer for the season. Your work was very much appreciated.

I also would like to thank Nelson Phillips, who leaves us as his move north makes it challenging to remain to play at Manly. He is a quality player and, more importantly, a quality person.

To the volunteers of the club, the canteen, the PA announcers, Luke and the ESNB team, the coaches from all the other grades and especially the players who sat on the bench in support week in and week out, thank you very much, you make the club what it is.

Special thanks to Michael O'Neill for his support and trust to allow me to be involved this season and enable me to do what I do with my workload with the BlueSox is very kind and very much appreciated.

And finally, to the club in general, thank you for allowing me to be part of the family, you never stop learning from this great game, and I certainly can attest to this statement this season. I look forward to gaining more knowledge next season.

Many thanks

Brian Murphy
First Grade Coach

MANLY EAGLES FIRST GRADE

Manly Warringah District Baseball Association Inc.

2nd Grade 2020 – 2021

Official Stats

Season Record: 8-3-1

Home: 4-3-0

Away: 4-0-1

It was a late call up to manage the 2nd grade season but one that has been exciting, challenging and a large learning curve. I was given some incredibly wise words from Goodie.... "don't worry you have some very good cattle" and never a truer word said.

The season started very well, securing Leo Matsuo as a starter for 2's gave us a dramatic edge over opposing teams and we started well with our first 5 games at Home, leading the comp with 4 wins and a loss. Leo continued to dominate on the mound and we took this winning streak on the road with the next 4 away games winning them all to give us a commanding lead on the table 8 wins and a loss.

The first game of 2021 was a 7-1 win over Cronulla at Bonnet Bay which for me exemplified how good a team can play as a team. First game back after Christmas which tends to be a struggle the team fired from end to end playing error free attacking baseball. Zach Murphy's closing was devastating and gave Cronulla nowhere to go. An absolute season highlight for me.

Closing out the season was not as strong as we would have liked. A 6-6 draw with Vikings after leading 6-0 nil and losses to Ryde and Baulkham Hills at Home resulted in 2's relinquishing top spot on the ladder to Baulkham Hills. Disappointing considering how strong our season was. That being said, a 2nd place finish ensured two bites in the playoff series.

The Playoffs were scheduled for BISP with the preliminary final against Baulkham Hills. The team absolutely took it to them, out hitting them innings after innings. Up 7-3 in the 8th we had our opportunities however gave up the lead to drop the game 7-8. Due to the loss, we were scheduled to play Cronulla in the final however delayed due to rain and rescheduled to Aquatic as a timed game which resulted in a 3-3 draw. With Manly being Home team (higher standing) we progressed to the Grand Final.

After a deluge of rain, the Grand Final was played on BISP 1 27th March. I think it can be said not our best game against a red-hot Baulkham Hills resulting in a 11-1 loss. This was my first State League Grand Final and certainly an exciting and nervous experience and I will be forever grateful to the team for the opportunity to compete at this level.

So, putting a line through the season I'd like to draw on some big successes that we had this year.

We had a large squad, our core 2nd grade players who were well supported by a cast of extremely talented under 18's. So many thanks to Zac Newbold, Josh Beezley, Tom Butler, Daigo Yamaguchi, Sean Parkinson and Max Milner. I do need to congratulate Josh Beezley and Max Milner for their call up to the Australian training squad.

I also want to thank Yuki Mizutani for always being available after 3rd grade and backing up infield when the call was needed.

- I'd like to acknowledge a couple of individual statistics. Firstly, congratulations to Leo Matsuo for winning the BNSW pitching award. Leo finished the season with 91 strikeouts from 63 innings which was twice as many as any other pitcher in 2nd grade. Not bad!!

Ash Roberts with fielding stat of 1.000. Incredible feat being on 1st base with 48 outs and zero errors. Shohei Arayama with the highest quality at bats (QAB) across the competition which includes 15 walks. He also finished with the team's highest RBIs (3rd across the comp) with 8 and an on base of .500. A QAB according to BNSW stats is a batter facing 6 pitchers or more.

Ensuring a QAB was a very important component to our game and contributed to the team's strong offensive performance. On occasions, the team grinded out a win as a direct result of patience and persistence in the batting box.

There are many more individual performances but rather than detailing them all here I suggest you corner a 2nd player and let them tell you their success stories. Won't take much...

Finally, many thanks to Chris Corey for his support and guidance as club coach throughout the season. Melissa Haithwaite and Cheryl Amir for scoring, to Noel for preparing the grounds for each home game, Viv, John and Natalie in the canteen, Luke on the EBSN and to those on the State League committee headed up by Mike O'Neil ensuring that everything is in place so that we can play the game that we all enjoy so much.

Many thanks for the opportunity to be 2nd grade coach for 2020-2021.

Simon Lowde
2nd Grade Coach

Manly Warringah District Baseball Association Inc.

3rd Grade 2020 – 2021

With a number of Club veterans returning and some very handy new players joining for the 20/21 season, we had high expectations of making a serious run at the playoffs. While we finished with disappointing record of 4-7, there were clear indicators how competitive we were most of the time.

We had three 1-run losses and one 2-run loss – all to teams who made the top four. One was a heartbreaker on a walkoff after leading the whole game bar the last 10 seconds. Another was down to five bad minutes (and five runs) in the field, and a third was in a rain-shortened game where we simply ran out of time. No excuses – but we were by no means a team to be taken lightly.

Quick shout outs to everyone.

Moose + mound = outstanding. Repeat. The wily veteran picked up where he left off last year, pounding the zone and getting overeager hitters to pop up and ground out, time after time.

Benny Edwards – welcome to the Club! Stability and security behind the dish, a loose unit otherwise.

Banjo – gets a bigger writeup because it's (maybe) his last season of State League. A leader not just through his performance, but also by educating the younger guys on how to approach the game. Sometime pointedly. It's a measure of the team player he is that, in his very last plate appearance, he got ahead 3-0. And despite *specifically* being given a green light to go out hacking, took the walk. Classy, to the end.

ScoClo – great to have him back full-time (on day release from the twins). Vocal in the dugout, another solid year with bat and glove. Standard ScoClo, but never boring.

Mayo – almost a repeat of last season, finishing top 10 in the league again for average. Plays the game like a veteran (with dodgy hips to match). A great year.

Yuki – one of the new guys. An absolute vacuum at shortstop and will continue to develop his stick next year. His stellar defence saw him make a well-deserved appearance in 1's.

The Prince (Harri) – another new addition with a big future at the Club. Great outfield glove, cannon arm, and swings a mean stick. Also made an appearance in 1's – going 2-fer and a walk.

King D (Dion) – the Lord of Centrefield. Some flat out (literally) terrific plays in the outfield and brought back his stick from the 2018-19 season. Also finished top 10 for the league in hitting.

Nathan – a solid sophomore year with 3's. Some big hits and consistent improvement in the outfield. Pro tip: probably best to not say you've "never made an error for Manly" until the *end* of the season...

Hurls – love playing with this guy. Would hate to play against him. Either way, you always know he's there...! Generally solid outfielding and also had a few big hits. One against Baulko in particular.

Andy – look what the cat dragged in after 10 years away! Great to have you back and your "team first" attitude on the mound. Can you be convinced to do it again next season?

Jackson – hit into more bad luck than anyone deserves this year, but kept his head up, took his chances when they came and always is a good guy to have around the dugout. Next year's your year.

"Kid" Wyatt – forced his way into the lineup...just in time to move to Canberra for uni. Deadly speed on the bases and great defensive range. It would be a shame if he flunked out of ANU and had to come back...just sayin'.

Kiddy ("the Bunyip") and Al Fear – two guys who only had very limited time with us this year, due to work commitments and illness respectively. Get better and quit – or vice versa. It would be great to have you back full-time.

Besides the regulars, a big thank you to the U18's and Futures guys who helped out and filled in. Two in particular.

Reuben had an outstanding debut in senior's baseball against Blacktown and did everything right taking the loss in the Ryde game. You don't throw as hard as Nuke LaLouche from Bull Durham, but you're cocky and arrogant (and nothing if not entertaining). Keep it up. 😊

Daigo was the bench player every coach loves. Available, versatile and keen. Regardless of how you were used, you helped make us better. We hope you do it again next season after U18's games.

Huge thanks to Lisa Mayo as our primary scorer (and Julie Logue as a more than able backup). We love having both of you bossing us around chasing line-ups. Also thanks to the rest of the coaching staff for your support, advice and laughs throughout the season.

To everyone involved in 3's this season, it's been a pleasure and we hope to see everyone back at Manly this summer.

Cheers,

Clarkie and Meat

Fun fact: on 5 December 2020, Manly 3rd grade had the highest 3rd grade payroll (unverified) in State League Baseball history when future Phillie, Josh Gessner, made a guest appearance as DH. Too bad he whiffed twice. Stick to the mound, champion, and best of luck over there! 😊

Tim Clarke, Scott Fielding

Manly Warringah District Baseball Association Inc.

U18s 2020 – 2021

The unpredictability of baseball is one of the many reasons why we love this game so much, in turn, it can also cause a lot of frustration. At the beginning of the season, I was filled with excitement and optimism on how well this team might perform. I had a solid team, with each player bringing their own strengths, experience, and skills to make the team whole and complete. Most of the boys I had known and coached for many years, some as far back as T-ball or zooka, so I was really looking forward to seeing them perform and compete at the U/18 level.

In a nutshell, our overall performance didn't go as planned. We competed strongly in most games, however we just didn't bring a consistent team performance week in week out to take the wins that were needed. In essence, we didn't always play to our potential, and we finished the season with 3 wins, 1 draw, & 9 losses, of which 7 of these losses was by 1 or 2 runs.

I therefore have mixed emotions in describing this season. On one hand I enjoyed every minute being with this fine group of young men (to which all the parents should be commended on raising their child with such great character), spending time with them at training, watching them take on the challenge of each week's game, & sharing my knowledge after a game on how they could improve or on how the game should be played. Then there is the other hand that felt the frustration & disappointment of what could have been. Unfortunately, we lost too many games by 1 or 2 runs, games that I felt we should have won. So, if I measured the success of the season on the boys learning and improving, on them competing and having fun, on them not giving up and fighting back during a game, then I would have to say it was pretty successful. If I measured it on the number of wins & whether we consistently played to our potential, then it was a bit disappointing.

To summarise the season on a results perspective; we finished 7th on the table, we scored 79 runs over 13 games, which meant that on average we scored 6.1 runs a game, however on average the other team scored 6.4 runs each game. That's 0.3 differential per game, such a small figure that had a big impact on our season. Our pitchers did well on the mound throwing 68.1 innings, giving up 68 hits, striking out 79, but struggled with 94 walks which is far too many. We made 19 errors in the field (not counting the mental errors), and as a team we batted 0.278, with 81 hits (64 singles, 13 doubles, 3 triples, & 1 homerun).

There are 2 key lessons that I want the boys to take away from this season:

1. When you play at higher levels of baseball, it's the little things that can have a big impact on a game (for or against you), hence its important to work on the small things.
2. Your challenge is to strive for consistency week in and week out while improving.

The little things: The more competitive and the higher the level of baseball you get to play, all the fundamentals and basics of playing the game are a given, it's the little things that happen in a game that start to make a bigger impact in the final result. In some games we did do the little things well to our advantage. We ran the bases aggressively, we had some good at bats moving runners over and scoring them, we picked runners off base, we made diving catches & solid plays in the field, we threw strikes and got ahead in the count which put pressure on the opposition batter. And then in other games, we gave teams too many runs that they didn't deserve. It was the little things like pitchers throwing too many walks, or players having a lapse in concentration and forgetting to cover a base or back up a play, miss reading balls hit in the field, fielders colliding by not communicating, & not putting 'bat on ball' or executing a bunt when we needed it. It's these small things that you take advantage of or get taken advantage of that normally result in an extra run or two scoring, and in most cases can affect the outcome of a game.

Consistency: At some stage throughout the season, I believe that everyone felt frustrated with the lack of wins we were getting. In my opinion, this was due to us not consistently playing to our potential. One week we would put together a great performance with everyone playing to their potential and walk away with a win. Then the following week lose by 1 or 2 runs because we let the 'bad' small things into our game. Whether it was walking too many batters, not making contact with the ball, or making a mental/physical error when the pressure was on, the fact is we weren't being consistent week in week out with our performance. This is a great learning experience for the boys on why it is so important, and what it takes to be consistent week in and week out. It is the challenge of consistency. As a retired player, I know that no one intentionally makes an error, or wants to strike out when we have runners on base, or a pitcher walking a batter etc. But this is the challenge that these young men must face as they progress with their baseball careers. We constantly reflect on what went well and what areas need more improvement, and we go and diligently work on it so that our performance becomes better and more consistent. It's the same process that elite players do day after day, week after week trying to improve on the small things while maintaining their consistency, so that when an opportunity presents itself in a game they are prepared and always ready to perform at their best.

What's a Season without a few unforeseeable injuries? Unfortunately for Lachie, just before our first game of the season he had emergency surgery to remove his appendix which resulted in him missing the first 4 weeks of the season, later in the season he sustained a shoulder injury diving for a ball which had him miss another 2 games. Wilson sustained an eye socket injury at training which left him on the bench for a week. Jacob cut his hand at school and had to miss a game, and then later in the season had a hamstring injury missing another. And finally, Zacca injured his shoulder at touch rugby and unfortunately missed the last game of the season.

Playing baseball is also about having fun. At the end of each game the boys would vote on the "Balls of Steel" award, normally given to someone who had a great game, or came up with a clutch hit, or made an awesome play. Throughout the season, Zacca won it 3 times (a bases clearing triple vs Central Coast, a bases clearing double vs Cronulla, & an outstanding diving catch vs Canterbury), Yuugou won this award twice for his hitting (double vs Blacktown & double vs Baulko), Sean won it once for getting 3 hits in a game (vs Macarthur), Max for a strong pitching performance (vs Canterbury), Jacob for his hitting (double vs Ryde), Daigo for a great pitching performance (vs Blacktown), Josh for his double and home run (vs Cronulla), Aidan for his first hit of the season (vs Central Coast), & Wilson for his pitching performance (vs Ryde).

Finally, I want to congratulate Tom, Zacca, Wilson, Josh & Max for being selected to participate at the NSW Showcase Series in March 2021. In addition, a special congratulations to Max Milner, Zac Newbold & Josh Beezley for also being selected in the U/18 Australian Selection Camp. Well done boys, that is a fantastic achievement, we are immensely proud and wish you all the best!

U/18 Manly Awards:

- **Batting:** Joshua Beezley: Josh led the team with a BA 0.464, slugged 0.714 & on base 0.625. He led the team with 5 HPB, was equal first with 12 RBI's, and he had our only home run of the season.
- **Pitching:** Max Milner: Max was our workhorse on the mound this year. He pitched 37 innings, gave up 32 hits, walked 47, struck out 43, & had an ERA of 5.8. I know he did a lot of off-season work and this has paid him dividends by being selected in the U/18 Australian Selection Camp.
- **Fielding:** Sean Parkinson: There were 2 key contenders for this award, one who was a great asset in the outfield who also made a number of great diving catches, and the other who made a great contribution towards the team by playing in a key position that he didn't want to while also playing it exceptional well. Sean made the sacrifice to catch the majority of the season for the team which prevented him from developing his own pitching game further. He stepped up for the team and was solid behind the plate, blocking many balls in the dirt, he took more control of the game & communication on the field, and he threw out 7 runners trying to steal a base. In addition, he would always have to catch multiple bullpens at training which often pushed his own pitching work and batting to after training hours.

- **MVP:** Joshua Beezley: Not only did Josh lead the team in batting but I also believe he had the most positive impact on the team. He always brought with him an energy that others could feed off, he always applied himself, he was humble, and he showed great leadership on the field. His defensive experience was an asset, he ran the bases aggressively, & he was equal first with 13 stolen bases. He was not just a great player for the team, he was also a great teammate who was more than happy to help others out and he was often found catching bullpens at training.
- **Players Player:** Joshua Beezley: Players voted on their Player of the year, congratulations to Josh as he received the majority of votes.

I wanted to thank Seb Elston, Tom Van Vessen & Jared Cupp who supported us from the Futures team when we were short on numbers. We greatly appreciated you guys giving up your time and I hope you enjoyed the experience.

I want to sincerely thank Gavin Parkinson (Coach), Grant Anderson (Coach), & Jodie Van Buizen (Scorer) for coming on this year's journey with me. I greatly appreciated their time, effort, and contributions towards the team.

Mark Spinks

Manly Warringah District Baseball Association Inc.

U18s Futures 2020 – 2021

First of all, I would like to say an overall thank you to the parents of these great young men, to Gareth Elston for helping, and to the Manly Minor league for allowing us to compete in the competition. The Manly futures had a rocky start for the first couple of games however were able to start playing good baseball after the Christmas break and were able to fight against the top teams but going down by 3 runs each time.

Overall the squad has improved largely in every aspect of the game and were able to hold their own against all teams. Pitching was mainly carried between Rueben Chippek, Jared Cup, Seb Elston, and Jordan Nicholson with the support of a solid infield to back them up.

The infield consisted mostly of Ryan Iggo, Jared Cup, Miles Russel, and Seb Elston, the development of these infielders saw a large improvement over the season and allowed for some players to shine in new positions. The hitting was led by Jared Cup who batted .444, Ben Patfield .417, and Ben Richards who batted .350 and had over 10 Stolen bases. The outfield was mainly held down with Tom Van Hessem, Ben Richards, Ben Patfield, Will De Laine, and Troy Withnell. The catching duties were also shared between Ben Richards and Tom Van Vessen.

The award recipients for Manly futures were Jared Cupp for his great hitting, Reuben Chippek for his pitching and the Coaches award goes to Ben Patfield his great defense in the outfield and his hitting performance throughout the season.

I would like to thank all the players for a great and fun season and for allowing me to grow my experience as a coach.

Thanks

Sean Chivers
U18s Futures Coach

Manly Warringah District Baseball Association Inc.

Women's 2020 – 2021

The Manly Eagles played in the NSW Baseball Div 2 Women's competition again this season. The club saw some new faces not only return to wearing a Manly jersey but also to the game. A couple from the softball ranks decided to try their hand at baseball, and a couple who had taken a few years sabbatical, decided to return. Add one of players friends who had never played baseball or softball and we have the making on an interesting year.

Serena DeGail finally switched back into the home colours to give the team some fire power with her batting and experience having played with Blacktown in Div 1 for a couple of years. Boosting our ranks was Indy Brown, having NSW Juniors experience as a pitcher, meant we had an arm to get games started. And we had two young catchers in Millie Atkinson and Leni Ward who would battle hard all year behind the plate. Millie is a standout NSW up and comer. Her blocking is as good as it gets in someone so young. Her hitting is developing, which is no wonder she's in the NSW Women's HP program. Leni Ward is the teams youngest but showed so much growth and determination to get better all year, she's one that this coach couldn't keep out of the starting lineup. Here's one NSW should be watching for future HP programs.

We welcomed back Olivia Baker who's hitting was great last year but even better this year, and Kyara DeGail who's an all-round utility player, called on to hit, pitch and capable of catching as well. Olivia's hitting and plays at short stop were outstanding for us all season. And it didn't hurt having her talents in the dugout being a physiotherapist to help the bumps and knocks. I'm not sure the last time Kyara and Serena played together in Manly colours, but it would be a while ago. Kyara plays a solid game as a middle infielder, was a patient hitter holding down the middle of the order and when asked to pitch was always willing to.

The team also welcomed Hannah Vaughan, Emily Thornton, Amy Sheppard and Eva Endikaputri from softball onto our roster. Hannah held down 3rd base fantastically for us and was someone who was hard for teams to strike out. Emily developed all season as a baseballer, is growing as at second base with her confidence and had some hard fought at bats right up until she gained entry to ANU after her successful HSC results. Amy Sheppard unfortunately succumbed to an early season shoulder injury and was missed as her preseason form showed her as one that was making the transition from softball to baseball easily. Amy did though have great news during the season with her acceptance into Macquarie Uni to do medicine. Eva is our live wire from Nepal. Eva's another competitive softball player, lives in Mascot works 3-4 different jobs in hospitality and hit a home run in one of our games at Laybutt. Eva's just applied for her permanent visa to Australia, which we hope she gets as her energy is infectious in the team.

We also saw two women were Manly jerseys for the first time to round out our squad to 12. Hayley Gledhill's no newbie to the game, playing in ML and working tirelessly behind the scenes with Seaside's where her family truly oozes clubmanship. Hayley wasn't going to play the full season, just be about to help out, but are the coaches glad she did. Her dedication to us saw the team rewarded with great hitting and stellar outfield work. Finally we welcomed Hannah Griffiths to the sport. Hannah is a sports woman so we could tell from the get-go she'd take to the game with ease and lift the team's athleticism through her sheer determination to succeed. An absolute rock at left field saw her keep us in games regularly.

The team just missed the finals unfortunately, but we did give a few finals teams scares along the way. We left a few 1 run defeats on the diamond where we could have turned those into 1 run wins, so the coaching staff was happy with the teams' growth and development to confidently say, watch out next year.

I'd like to thank Chris Hurley for all his hard work. Chris not only forged himself as a capable assistant coach but would take to being head coach easily. Chris's temperament is suited to coaching, which is how he plays. Thanks Chris.

Lastly, the team and coaches would like to thank Michelle Camphuis for scoring for us. Michelle's a welcomed addition to State League after a tilt at being the Minor League President. She is the hardest worker around as she also put her hand up to be the Manly Women's delegate to the NSW Women's Committee for us. It's easy as players and supporters of teams to forget how hard the backend of the team has to work, and Michelle's jobs for this team took a huge amount of pressure off me it's not funny. And she also came up and helped in canteens at the SL Wed night games when she wasn't asked. Hugs & thanks Michelle.

Well that's it, what a season for me. I've coached tee ball through all grades to 1st grade. NSW National winning teams, but never women's. I learnt more about coaching this season than in any of the others and the success was as real as others I've experienced. Great reward comes from being involved sometimes rather than the medal at the end.

Thanks ladies, I really enjoyed coaching the team this year.

Mike O'Neill
Women's Coach
