Stealing

- Runners may only steal once the ball has reached home plate;

 2. The Pitcher makes any play, other than delivering a pitch, clearly intended to reach a fielder.

- The Batter is out when the third strike is called, even when the Catcher does not have the ball.

Appeal Plays Procedures

- After “Time” is called, the Head Coach from the defensive team will advise the Umpire that an appeal play will be made after the ball is put into play before the next batter’s at bat;
- The Umpire will ensure that the batter remains in the dugout;
- The Umpire will call “Play”;
- The fielder may then retrieve the ball and make the appeal play in the appropriate manner, under instruction from the coach
- The coach cannot physically assist in the making of the appeal play;
- The Umpire will call “Time” and rule on the appeal play.

Modified Game

- **During the game, if a pitcher throws 4 balls, the T will be introduced and the player will continue their at-bat.**
- **The batter retains the number of strikes that he/she had when the pitcher left and continues with their at-bat**
- **The batter cannot reach first base upon a walk**
- **If the batter hits the T or hits the ball into foul territory it is considered a strike (and on the third strike will be out).**
- **If the batter hits the ball into play, the ball will be fielded as normal. For hits off the tee, the maximum progression allowed by batter or runners will be two bases.**
- **When the at bat is finished, the pitcher (current pitcher or a new pitcher) will return to the mound and continue within their pitch count limit.**

The Modified Game rule will be used during the early stages of the competition to allow time for teams to develop pitchers. This rule will be reviewed by the Junior Competition Committee (JCC) after the fourth (4th) round and is planned to be phased out as the season progresses after which all games will transition to live player pitch only. Teams will be notified in advance before this change takes effect.
