STATE LEAGUE

The Manly Warringah District Baseball Association's 'State League' club provides an environment for all levels of playing baseball. It is a club rich in history, continually seeing members furthering their skills whilst playing for the club. It has seen many graduates move onto playing for Australian, US College and US Pro teams in both men's and women's baseball. Manly State League has a huge wealth of dedicated staff, coaches and volunteers that run the day to day tasks that keep the great tradition of baseball going here in Manly. State League is a winning organisation that expects the very best from its players and coaches whilst playing in its colours. Its aim is to continually develop the game of baseball competitively through knowledge and fitness gained in playing for Manly

Mission Statement

To provide our players with the most professional baseball experience possible

Vision

Baseball demands the best from an individual within a teamed environment. It takes great fitness and belief in one's ability to act quickly and precisely to play this game. It also takes patience, dedication and teamwork. As a club we expect players to train to improve their skills, fitness and disciplines of the game whilst recognizing that they need to make extraordinary sacrifices in their work and family commitments to do so. From those sacrifices we expect to win all the time and players will be found out by coaches and team mates when they are not doing the work to better themselves and the team they commit to.

Manly Warringah State League Values

Players

- To play with passion and pride befitting the Manly jersey within the bounds of the rules and the spirit of the game
- To train regularly with purpose and determination
- To play for Manly is to embrace leadership, take ownership; don't follow, get better

Coaches

- To provide every player the opportunity to excel and achieve their highest potential
- To continue to learn to be able to stay up with the game
- To exhibit the same character, professionalism and respect that we expect from of our players

Administration

- To provide a top-notch experience at an affordable cost. Our fees are set with a humble understanding of the costs associated with running a league of this level
- To act professionally is paramount. Manly State League will have several administrators who are strictly devoted to the needs of our coaches, players and families
- To run 'State League' in line with the peak body whilst maintaining and overseeing State League's ideals and values

Fans

- To support and partake in all club activities respecting the Manly Warringah State League's long history whilst embracing the club's ideals and values

Lachlan Mayo	Angelo State University, San Angelo Texas
Jaylin Rae	College Ball with Central Arizona State University
Aiden Torpey	College Ball with Augustana University, South Dakota
Josh Gessner	Signed with Philadelphia Phillies

Manly Warringah District Baseball Association Inc

State League President's Report 2019- 2020

After last season's year ending review of values, implementing our live streaming service EBSN and seeing a women's team come into our fold; starting the 2019 - 2020 season was a weight off everyone's back after all the hard work during the off season.

This season saw Ryan Kalish...come and go unfortunately. Jules come and stayed. Treg come late and stayed. VB come back and continue to hurt the ball more than himself. Connor joined up and made a difference. Jaylin play and move on to College. Josh pitch and then head to Spring Training with the Phillies!

On behalf of the club we need to acknowledge Luke Eisenhauer and his efforts in learning a new skill in being able to source and make good the club's vision of EBSN. Not only did he solve problems, buy gear and learn a new trade in live outdoor broadcasting, Luke managed to be the first voice of Eagles Baseball Sports Network by launching live streams of many of our club games this season. Not without teething problems and frustrations, I think we can all say that Luke's talents and commentary far outweigh the dramas that did happen before going live for the first time. If you haven't already tuned in, please get onto Your Eagles EBSN YouTube station and press like. Pressing 'LIKE' is such a powerful thing for the club as it could mean sponsors $ through advertising. More of you watching helps our push for sponsors. So if you can't give time, press like. Well done Luke.

The Boards mission, this year, was to market the game. EBSN being up and running ticked a box, but we still needed to bring the game to our community base and gain new supporters. Our canteen ran a successful campaign through its Wed Night Promotions. Pulled Pork Slider Night, Hot Dog Night and Roast Potato Night, all proved winners to our fans, but nothing says let's ramp things up by blowing the lights out like our 'Fish & Chips' Night. Our home game against Central Coast was memorable for many things that night. Weather had seen power lines downed in the area, which saw some residents around Frenchs Forest/Belrose without power for a week. The club was able to play. Lights and Action started on time. Nearly 300 at the venue from players, juniors, parents/fans. Add a back to Aquatic Old boys night hosting the Godfathers, including life members Tom Organ, Peter Edmunds, cricket legend Ian Chappell and past Australian Baseball President ....., and add members of the Manly Warringah District Cricket club all enjoying watching Josh Gessner deal against the Marlins. Whether it was smashing out tons of Fish & Chips or problems from Energy Aust, we blew the lights 3 times causing the game to end early. The story after that was more embarrassing for NSW. A recorded win to Manly was dismissed by NSW and the game to be continued at a later date. The evidence to support this choice by the competition manager was in the replay of EBSN's coverage. Not sure if he pressed 'LIKE', but we did eventually finish the game and won, it was what goes down as one of the most controversial games when NSW tossed aside the umpires and rules.

This year's Women' team was a mixture of new players who had never played before, players that had played and a couple of youngsters in Lisa Nakashio and Hana Nishiya, who at 14, proved both outstanding competitors on and off the mound, and in the field and with the bat. Unfortunately a lack of attention to rules, which did not allow for girls aged 14 to pitch, meant NSW stripped the team points for the games they pitched. Going from 2nd and looking at finals, to being put out the week before, was numbing for all. The Senior Women's team played their hearts out and deserve the high praise the club has for them wearing and playing in the Manly colours to the best of

their abilities. The club itself failed here to help coaching inexperiences and has started to plan for a total change to how this area of the club can grow and survive. It does need to be said that if the NSW competition manager was on their game and picked up week one that a pitching illegality had taken place, a totally different outcome could have taken place.

Thanks must go to John and Viv Hughes for coordinating the canteen again this season. Our numbers were truly mind blowing and a result of the efforts the two of you continue to do within our club. Also thanks to Natalie Hughes, who was able to help out a few times this season. Thanks Hughes family for this year's fun in the canteen.

With the help of our Junior Standing committee, Manly State League was able to continue to deliver great fun on Wed Nights that saw increased fan appreciation and $ through the canteen. Thanks to Brooke Russell and his JSL committee for its continued support by running the Intermediates League games on Wed Nights prior to SL 1st game. We're looking already to next year to ramp things up for more fun at the baseball. Stay tuned.

With Jim Gagen announcing and providing music on the nights to add colour and his own brand of fun to the games. It a huge effort Jim and big thanks from the club for still being involved.

This year Viv Hughes organised our Women's Day to run in conjunction with an effort to raise money and awareness of Pink Hope. Pink Hope, www.pinkhope.org.au, was originally established in response to a gap in the provision of information, relevant guidance and emotional support to women at-risk of breast and ovarian cancer. The organisation has witnessed an even greater need for us to empower the general population to assess, understand and reduce their risk. As a consequence of this Pink Hope is able to help individuals take charge of their health and the possibility for them to avoid cancer then becomes a reality. Your Manly Eagles this year raised over $2,500.00 for the Pink Hope cause. A huge thanks to Viv for running this effort, and also to Cheryl Amir and Graham from ASA who threw in the pink caps that raised the bulk of the money. The club's aim is to continue this support of Pink Hope next season.

To our scorers, Melissa Haithwaite, Julie Logue, Lisa Mayo, Cheryl Amir, Mineko Nakishio and Simon Lowde; thanks for your continued involvement with Manly State League. the club knows it's a big commitment and recognises the hidden work in getting the books tallied up after a game so stats can be obtained for year ending awards. We'd also like to thank Fran Inkster, who continues her involvement with us by preparing the scorebooks into year ending stats for the whole league. Fran's unseen efforts are a huge reason why our game has stats for our players to collate for future USA college opportunities and that make us want to better next year.

Noel Markham's effort as groundsman needs everyone's applause. This year his dedication has seen the ground looking the best ever. Even with the deluges seen in February on Aquatic, it didn't seem to dampen his efforts. Congrats Noel for everything you do for everyone involved in MWDBA. I'd like to also say thanks to Noels sidekick, Simon Lowde. Simon continues to ride HIS tractor hard being able to mow the main field in 60 minutes if council can't get that done. Thanks Simon.

To all our coaches this year, what an amazing amount of work you did for the club, the players and the game, saw great results throughout. We did have issues with rules missed or poorly used by a few coaches, that need to be learnt from to better ourselves for next year. Stuff can happen without noticing sometimes as we're all volunteers; everyone working and doing so much more each year in personal lives just trying to get by in such an amazing yet costly city. The best advice is to keep learning, be patient and ask for help. We're all in this together and we all want the same thing. Play and win for Manly State League Baseball

Thanks again for another wonderful season.
Mike O'Neill
MWDBA State League President

Manly Warringah District Baseball Association Inc.

State League
Club Coaches Report 2019 – 2020

Before writing a report at the end of each season it's a chance to take a breath, step back and gain some perspective. I think this year more than any other, we are all being forced to view our lives from a new perspective off the baseball diamond as well. I'm sure that we'll all be faced with some challenges over the next few months. As always, focus on the things that are in your control and try not to worry about the things that aren't. Sure, that's easier said than done but also remember the positive things we have in our lives too. I for one, am grateful for the many friendships that I have because of Manly State League Baseball Club.

Okay, let's recap on the 19-20 baseball season. Once again, the yearly Club Goal is to consistently finish in the top 4 on club Championship Points. And once again we took a step closer to that target. With only four rounds left to play we were in fourth place in the club championship points total and three teams still in playoff contention. Our committee improved the quality of our imports that we were able to attract to the club and it made a difference in the wins column. Adding some homeground power to the batting lineup with Van Buizen and MacDonald certainly helped as well. Having a stronger first-grade team than in recent years absolutely helped and we put together a mid-season stretch going 10-3. A State League rule change in the off-season allowing U18s to double-up in 1s and 2s let us to continue with our *youth movement* and the Young Guns were a big part of that winning stretch with sometimes up to 7 players in the lineup being under 19yrs! In the other grades, the 18's team was on the wrong side of a couple of 1 run losses and another 2 draws that could have changed their run into the playoffs and both 3s and 2s finished just 1 game and ½ a game out of finals contention respectively. Am I disappointed that we weren't playing finals baseball this year? Absolutely. I'm comfortable with where we finished this year though, because for the most part I saw our players making consistent improvements throughout the season and we had a lot of guys getting opportunities in the higher grades to learn and make adjustments at the next level which bodes well for the future of the club.

Another big move for the club this year was the addition of our first women's team into the NSW State Competition and to say that they were competitive would be an understatement. I'm very keen to see the evolution of our women's team next year with some Young Guns coming through in that squad too.

Having Jason Taber back in the club this season to help with coaching on game day and adding energy and drive at training was huge. I know that he was stretched pretty thin across all 3 games on Sundays but having a cool head coaching at 1st base was a significant step in the right direction for the club. A huge thank you to Melissa Haithwaite for scoring so many games across 1s, 2s and the midweek games this season. Again, I know that it made for some long days/nights but I hope you also see the reward in the way that the team plays and represents the SL family that you are such a big part of. Thanks to Cheryl, Julie and Lisa for scoring across the rest of the grades.

I also need to say a special thank you to all of the coaches. With multiple training sessions and up to 7 games played each week across the many teams, that's a lot of moving parts but everyone's

commitment and communication allowed us to stay on the same page throughout the season. I know that there were times that many of us had personal stuff to deal with away from baseball and as a coaching group somebody was always there to step in and help out to make sure that it didn't affect the players in any way. I really hope that all of you are keen to be back with the club again next season.

And lastly just a few comments on the direction of the club. If you didn't get along to a Wed night home game this year you missed something special! Firstly we played some great baseball, with the only game we lost being the first one against the eventual minor premiers. That's a 6-1-1 record on Wed nights! And secondly the energy was electric, with plenty of local support, more themed nights in the canteen and some local club-teams coming out to support as well. If only we can find a way to bring this same hype to the other games on the weekends because the players love the atmosphere and it makes it a real home field advantage. A massive thank you to John and Viv (and everyone else that helped out in the canteen) for all of their hard work throughout the season to improve the entertainment off the field as much as we are all striving to be better on the diamond. In the same breath, congratulations to Luke for getting EBSN off the ground and in full flight with live streaming of Eagles home games with the help of Andrew, Ollie, Ben and various other committee members. Thanks as always to all of the support from the rest of the committee throughout the season that lets the players and coaches focus on what goes on between the foul lines. I know it often seems like a thankless job but we really appreciate all that you continue to do each season especially now that Mike, Viv and Simon are pushing the envelope of what a local State League Baseball Club can be.

Pre-season will be here before you know it and I'm hoping to see everyone back at Aquatic in August. I'm not sure where I heard this quote originally but hopefully it'll help to maintain some perspective and direction for all of us over the next few months.

Simple Success Plan: View each day as a start and finish. Win more days than you lose and life will be good. Be Relentless.

Chris Corey
Club Coach

Manly Warringah District Baseball Association Inc.

1st Grade 2019 – 2020

This year's 1st grade missed out on the final with one win.

From the coach's point of view, the team was growing into a great team and won a lot of games. I think that the reason for this was the rise of young players, newly joined players, imported players, and existing players who came together in a good way.

Our battle, especially in the second half, was outstanding. The new strength Connor McDonald was also the current ABL player from QLD and his participation not only changed the team's scoring power but also his leadership was at the core of the team. Rodney Van Buizen, a former Australian team silver medalist, changed the other team's line up. His preparation for the game helped to lead the way in what we have to do in the game. He was a role model for the team.

Jules Cremer, Treg Haberkorn and Yoshi Umezawa were also very active and important in our games. Jules was the active player in the team offence and defence great catcher. Treg was a great athlete in the outfield and a key player in the second half of the team. Yoshi was also a consistent player all season.

Jaylin Rae won the title of the top hitter last year and remained the team's lead-off man for the second consecutive year. He has now grown into one of the best hitters in the State League competition. Aidan Torpey also hit fourth in the lineup, and his hitting power and shoulders were impressive. Another emerging player was Gabriel Mateu. He had a regular outfield position throughout the season and he has excellent defence and leg strength, and will surely grow as a central player for the team in the future. I wish all of the young players the best of luck at college in the US!

On to the pitchers... Joshua Gessner has grown a lot in the United States and has won the team. Shohei Arayam has continued to pitch consistently this last year. This year, the activities of the relief team were amazing. Jimmy Miller, in particular, was a great relief pitcher who could handle any situation when the team was in a pinch. The growth of Zachary McAlister was also noteworthy this season. Finally, Vaughan Harris retired from ABL this year, but for many years his contributions have been immeasurable in the Australian baseball world and today in the Manly Baseball Club.

It goes without saying that the 1st grade victories continued with the support from players from 2nd grade and Under 18 players. Adam understood baseball better than anyone, and when he was in the outfield his defence was an iron wall.

Thank you to Melissa for scoring this season and also Glenis for the start of the season. Club Coach Chris, without your help I wouldn't have had this great season. Also, a big thank you to the rest of the coaches (Jason, Tim, Scott and Simon) for their assistance at training and on game day. Finally, Mike, the Chief Executive. Thank you for giving a great team and an opportunity to coach again this season. Special thanks to the Committee Simon, Viv, John, Luke, Ash and Ben.

The season was successful on so many levels, I really enjoyed it. Thanks again all players.

Masa Endo

Manly Warringah District Baseball Association Inc.

2nd Grade 2019 – 2020

"At the end of the day you can't control your results; you can only control your effort level and your focus."* - *Ben Zobrist 2 x World Series Champ

With the majority of our core players back from last season the expectations were high for another strong season. We even stumbled into a new State League rule change for some U18s to "double-up" each round. This new rule allowed us to continue the success of last year and turn the younger guys loose in 2s again. Before the season had even started there were players talking about "Back to back titles' ', "Winning it again", Leading the league in "x stat" this year and similar statements. What got lost in the hype though was the ability to focus on the things that matter most. In hindsight, we had more than double the number of hitters getting a 'free pass' to 1B from walks etc and that's always gonna hurt. I'm the first to admit that I missed an opportunity to steal at least one game due to a rule breach, and we probably lost at least one more due to making a pitching change too late. Anyway, enough of the comparisons, we finished 5th and it was still a successful season. From the perspective of the commitment of the players being there each week and also backing up consistently for 1st grade and midweek games, I couldn't have asked of any more from the regular 2nd grade squad.

With the U18s rule change, I thought I would start with the younger guys for a change. We had a total of 11 juniors take the field in 2s at various situations over the course of the season. Each time these players went into a game it was because I believed that they gave us an upgrade for that game or that situation and I have to say in most cases they got it done and then some. They all showed glimpses of why they will be pushing for game time in 2s (and 1s) when next summer rolls around. A few highlights from U18s in order of games played. For most guys, coming into a game to pinch-hit is daunting but Mikey Amir thrived on this role for us all year. Having a solid glove at 3B to back it up made it an easy substitution late in the game. He also played in more games than most of our regulars. Ollie Stokes took over behind the dish for half a dozen games towards the back half of the season and showed that he's a catcher of the future for Manly SL. Tom Butler "filled in" at 1B when Ash was overseas or helping out in 1st grade but he looked so comfortable on defence and in the batter's box that I had to keep reminding myself that he's only 16. Just like Ben Zobrist (see quote above), Josh Beezley was a guy that played all over the field for us this season and proved to be more than capable in the utility role. It's hard to keep a guy out of the lineup when he can play so many positions on the diamond and has a solid approach at the plate. A special mention to Max Milner, Zach Murphy, Luke Brown, Chris Wyatt, Dean Heinl, Cooper Garth and Zac Newbold. There were various reasons why you had limited playing opportunities this year, but the games you played this year (and last) made an impression on myself and many of the other senior players not just on the field but also your attitude. Well done and thank you.

You don't get a chance to throw as many junior players into games without the support of the leadership group and we had a wily group of veterans that embraced it again. I realise that it makes for a boring report but Ash, Goodie, Zorn and TJ are exactly what you want from your core of experienced infielders. They put in the work at training, they're always on time for games and there are no surprises. They're in the right place at the right time on defence and put up consistent numbers with the bat, grind out ABs and execute with a 'team-first' approach in key situations. What more can you ask for right? Kazu was solid again behind the dish for us this year and he only missed a couple of games because of school commitments. Kazu, it has been a pleasure having you in the team the last 2 seasons and we wish you all the best for university next year and beyond.

In the outfield, we had O'Neill in CF as often as possible and doing a good job of making sure that any

ball that was catchable was an out. Either side of him though was truly a mix-n-match type scenario from week to week. Leo was solid in LF when he was in the lineup but he also pitched the most innings in 2nd grade so that clearly wasn't often enough. Haithwaite was another key outfield option for us when he wasn't starting up in 1st grade. Brendan crushed the ball in 2's this year with a .750 SLG% which is just off the charts. Credit where credit is due to the *Mix-N-Match crew* of Beezley, Hurley, Milner, Murphy, Brown, Dundas, Kidd, Mason, Lowde and Banjo. You were ready to play, plenty of QABs across the group and not a single error! Again, what more can a manager ask for than that?

As I mentioned above Leo pitched a lot more this season and was extremely effective when he was in and around the zone. Charlie was back this season and still threw as many innings as last year despite having a new business to run and dealing with some injuries around the Xmas break. Masa was an underutilized asset this season from a pitching perspective. His ability to keep hitters off-balance is a joy to watch and something that I would encourage more of our Manly pitchers to add to their repertoire.

And last but not least, the DH. Despite (or because of) the countless hours spent rehabbing between games just to get ready for the next weekend Sutts was ideal in the DH role. Sutts was solid in the middle of the lineup each week and the only reason he was coming out of games was to ensure that we would have him in one piece again for the next weekend. Keep up the off-season rehab and let's see you back in full stride again for another go around.

Thanks to the team behind the team on the diamond for 2s. Chris Hurley, Ben Little and Mikey Amir for countless hours of charting hitters. Melissa Haithwaite for scoring all season. I know I drive you crazy with my changes but I don't do it on purpose I promise. :-) And to the *new guy* this season Jason Taber. Welcome back to the club Tubbsie, it was fantastic to see you back in the Manly uniform and I really hope that we can change your mind between now and August about sticking around.

A perfect example of the quote at the top is our game against the Marlins. We hit 3 Home Runs in the game and still finished with a draw! Sometimes Baseball is the winner. Ideally, we get the core group back again next season and we get a chance at a do-over. It seemed like the San Francisco Giants needed a season in between to refocus so maybe it's just part of the process. Enjoy the off-season, get stronger and I'll see you guys at pre-season.

Chris Corey
2nd Grade Coach

Manly Warringah District Baseball Association Inc.

3rd Grade 2019 – 2020

Two runs.

If one line drive had gone a few feet either side of the second baseman early in the year, or if a borderline 3-2 pitch with loaded bases had been called a ball instead of a strike in our penultimate game…that's how close we were to two runs, two wins, and achieving our goal of making the playoffs.

Of course, that wasn't the reason, but oh what could have been!

The competition ladder was ridiculously tight this season. Going into the last round, the top seven teams were within 1.5 games of each other, with four of us in a virtual tie for the final playoff berth, separated by a "rounding error" on win percentage. Alas, not this year.

Disappointment at not playing March baseball aside, there are plenty of positives to take from this year. Generally, we played better ball this season compared to last. The returning players from 2018-19 continued to play well and set the tone for the new guys, many of whom had never played State League before. And if the banter on the 3's WhatsApp group is any guide, we certainly had a good squad culture…

We started quickly, with comprehensive wins away against previous nemeses Canterbury and Penrith. Then we stumbled for five rounds, with a few tight losses, one rough one, and a brutal draw against Baulkham Hills at home. In danger of losing touch with the top four, our season was on the line in November when we travelled to take on the defending 3rd Grade premiers, Ryde…and crushed them. It was the shot in the arm we needed: from that day we played .643 ball the rest of the season.

Many thanks to CC, Mike, Masa and the rest of the coaching staff. In particular thanks to Simon, not only for getting some of the U18's to bench for us, but also for at least two games we wouldn't have played if it weren't for his work getting a rain-affected Aquatic ready and playable.

To the players: it's been great working with you guys. We hope you had as much fun as we did and are keen to come back in 2020-21 and finish what we started this season. Apologies there isn't enough room to name-check everyone, but we'd be remiss if we didn't specifically mention a couple.

Dean "Moose" Storey was simply outstanding on the hill, leading the league in innings (44 2/3), top five in strikeouts (34) and walks allowed (5). Contract negotiations for 2020-21 will begin shortly…

Alongside Moose, Mayo was equally terrific with his bat, glove and wheels. A man in serious need of a nickname, he keeps talking up his power. He says will make him a 5-tool player. Drop the "5" and we reckon he's spot on.

Special thanks to Julie Logue and Lisa Mayo for scoring this year, you do a wonderful job and were particularly patient at the number of changes we'd make late in games.

Finally, thanks to Jase Taber, who after decades involved in the game (and the Manly Club in particular) has decided to hang them up. It was great having you back in the dugout and base coaching – you'll be missed. If you change your mind, you know where we are!

To everyone involved in 3's season: congratulations on a good year. Let's keep building and make the next one great.

Cheers,

TC, Meat and Jase

Tim Clarke, Scott Fielding and Jason Taber

Manly Warringah District Baseball Association Inc.

U18s 2019 – 2020

Official Stats
Record: 4-7-2 **Home: 2-2-1** **Away: 3-3-1**

The Under 18's season started off very well. Running out to a 6 win and 2 loss for the first 9 rounds. On the back of this we were leading the competition and sending a clear message that we were a to be a major force in the 18's competition. Across the team, individuals were leading the competition stats as result of excellent play and discipline. The most gratifying was out F/A at 54 and 16 respectively. Only giving up 16 runs across 8 games was going to put us in a great position going into the second half of the season

Unfortunately, a coaching error on my behalf saw 2 of our games penalised as result of my decision to keep the pitcher in the game after completing 60 pitches. Unfortunately, I applied the senior ruling of 80 and as such the team was penalised with a forfeit for those games. This was shattering considering the change had no impact on the game, but rules are there to be adhered to and I have no excuse.

After this impact the second half of the season didn't go our way. With a couple of tough losses pre-Christmas coupled with adverse weather conditions which included smoke pollution, three washouts and a heat wave we were only able to play 4 and half games. Our back 9 games results were 3 losses and 2 draws which saw us being bundled out of the finals. A result which certainly didn't reflect the team's ability and performance on the field.

So, putting a line through the results and focusing on some the really big successes that we had this year….

We had a large squad of new players coming through from Juniors (Senior League) playing their first season in State League with the club quickly recognising this raw talent and due to a rule change initiated this season allowed a small number of players to double up in grade. This saw a number of 18's players – Josh Beezley, Tom Newbold, Tom Butler, Michael Amir, Oliver Stokes and Max Milner regularly playing grade. This talent coming through bodes well for future years as they build experience playing seniors.

With respect to pitching Luke Brown topped the season with a very strong ERA – 1.49 supported by Tom & Zac Newbold, Zach Murphy and Max Milner all with ERA's below 4.40. At no time in the season where we stuck for pitching and providing enough opportunity became a greater problem.

Throughout the season we had to juggle a myriad of baseball commitments; players competing in school and club competitions, national and country teams, elite training programs (NextGen) and other representative responsibilities. At no point this season did we have the full squad available for any one game. This problem is a testament to the talent that we have throughout the team and congratulations to those players who are responsible for this burden.

I do need to highlight the quality at bats this season. A focus this year across the club ensuring players are maximising their opportunity to add value to the team in the batting box. In the first half of the season the players were achieving this and converting opportunity into results that were seeing them churn wins and overall results for themselves and the team. I'd like to congratulate Josh Beezley on his result of being the highest run scorer across all 18's teams and Tom Butler with the second most RBI's scored.

With many senior league players coming through into under 18's this season we had the opportunity to run an under18's "Futures" team in Manly Minor League for the second year in a row. This has been an excellent development process ensuring the young senior league players gain exposure to the rigour of senior baseball and prepare them for their step up next season to 18's.

We do see a number of our player retiring from Under 18's and we wish them the very best for their playing future wherever it may take them, hopefully close to home in Manly Grade next year.

Finally, many thanks to Ben Heinl for supporting me as coach throughout the season, Cheryl for scoring week in week out, to Noel for preparing the grounds for each home game, Chris as club coach, and to those on the State League committee ensuring that everything is in place so that we can play the game that we all enjoy so much.

This will be my final year as coach which I have been doing for the past 12 years. I've had the privilege to support a number of players from t-ball to 18's and which has been very rewarding and a once in lifetime experience. To those players – truly appreciate the opportunity to play baseball with you for these years.

Simon Lowde
Under 18's Coach

State League 18s

U18s Futures 2019 – 2020

First of all, I would like to say an overall thank you to the parents of these great young men, to Gavin Parkinson for helping and to Manly Minor league for allowing us to compete in the competition. The Manly futures had a rocky start for the first couple of games however were able to string a couple of big wins in the middle of the season, and were even in the hunt to make finals, but due to the wet weather we were not able to take the opportunity.

Overall the squad has improved largely in every aspect of the game and were able to hold their own against all teams. Pitching was mainly carried between Rueben Chippek, Will De Laine, Lochie Caisley and Nick Gall with the support of a solid infield to back them up. The infield consisted mostly of Jake Wander, Nick Gall, Max Steer, Aiden Rodgers and Daigo Yamaguchi who also made the NSW country side for under 16's. The hitting was led by Sean Parkinson with a batting AVE of .500, Ryan Iggo with an AVE .466 and Daigo Yamaguchi .422. The outfield was mainly held down with Tom Van Hessem, Aiden Rodgers and a mixture of Jake Wander and Sean Parksinon.

The award recipients for Manly futures were Sean Parkinson for his great approach to the plate for hitting and his ability to bat on ball and make something happen. The other award recipient is Ryan Iggo for the coaches award due to his large improvement in all areas of the game, especially with his hitting and 1st base glove work.

I would like to thank all the players for a great and fun season and allowing me to grow my experience as a coach.

Thanks

Sean Chivers
U18s Futures Coach

Women's 2019 – 2020

This season saw Manly State League enter a women's team in the NSW State League competing in Division 2. As the came and went, there were many memorable moments to look back on. The first was gearing up to play round 1 and kick things off.

As the weeks and days drew nearer to opening day, the nerves and excitement grew stronger in the girls. A new team, never having played together, some of whom had never played the game of baseball before, would travel to Blacktown to take on the Blacktown Workers Black team at Laybutt Reserve. From the first pitch, the first swing of the bat, the girls meshed fantastically as a team, adapting to the game and the situations in front of them precisely how we had gone over it time and time again at training. Game one done, notching an inaugural win with a 8-3 result in the books. This would set the pace for the season ahead.

Strong pitching performances from starters Hana Nishiya and Kyara De Gail, and relievers Lisa Nakashio and Britney Spinks, would see the oppositions strength in the batters box deteriorate throughout the season. With strong relationship between our pitchers and catcher developing, the teams catcher, Millie Atkinson, proved her worth behind the plate. Gaining the trust of the pitchers and her team mates, Millie used her skills and ability to call the games as she saw it in front of her.

The team was lucky enough to have some in the team with vast experience in the sport. Monique Frack, Olivia Baker, Kyara De Gail, Britany Spinks, Lisa Nakashio, Hana Nishiya, Izzy Demol and Kelly Steinhauer have all played various levels in baseball, and formed the backbone of the team. The club was lucky to see these players week in week out and thank them for being a huge part in this years performance.

New comers Katie Gillis, Katrina Lofthouse, Hayley Gledhill and Kiah Kennedy showed the products of their efforts at training with commendable results in the batters box, proving they could hang with all comers and were very productive throughout the season. Overall aggression from the team when running the bases proved a worthy tactic, gaining many stolen bases throughout the season, and slotting runners into scoring position.

Round 13 saw something special in a home game against the Greenway Giants by Kelly Steinhauer. In fact Kelly almost hit for the cycle. Hitting 2 triples, a double, and a homerun. This wouldn't be Kelly's only achievement throughout the season though, as she would finish the season with a batting average of .706, the highest average in the NSW Div 2 competition. Not only did Kelly continually show off her talent with the bat, but she also proved useful on the mound, coming in as a relief pitcher where necessary.

Unfortunately the women's team was not eligible to play finals baseball, which was heartbreaking news for the team and the club after the season they played. As a team and club, issues surrounding rules for all have been brought out into the open. There's a huge amount of work that was accomplished this season in the women's game of baseball, yet many more things to learn from each other to better the program so that women's baseball is as common place as the men's here in Manly. One I know as a coach we can achieve , as we have the nucleus to really make a difference in the women's sporting arena on the Northern Beaches.

That being said, the team played fantastically and proved that they are worthy of not only competing in the NSW Women's competition, but winning it next year. Winning games against strong opposition our first year back together was an incredible effort.

A special thankyou to Emiko Nishiya, Mineko Nakashio, and Hazel Atkinson, for scoring and officiating our games throughout the season.

Manly are looking forward to seeing the women's team soar above the competition this year.

Ben Little
Women's Assistant Coach
