Minutes of the 72nd Annual General Meeting of MWDBA

Held on 30th April 2022 at MWDBA Clubhouse, Aquatic Drive, Frenchs Forest, NSW, 2086

1. **Meeting opened at 6:52pm**
2. **Present**

Quorum achieved – Attendance Register saved to MWDBA Archive Folder AGM 2022

3. **Apologies**

Nil

4. **Confirmation of previous AGM minutes**

Motion to accept the minutes of the 2021 AGM

Moved: Michelle Camphius

Seconded: Helen Wyatt

Carried

5. **President's Address**

The President thanked and acknowledged all the club's sponsors, the Junior baseball club presidents, the members of the various committees and all of the people that come together within the association to facilitate baseball.

The President noted:

- That the RSA was formed in 2011 in an effort to unify all of baseball within the Manly Warringah area
- The Board and Executive addressed a great deal in 21/22 with accounting and budget transparency and accountability improved dramatically. A special thank you to Carly Clarke for her diligence and work as treasurer in these endeavours. Financial control has never been better
- A great deal was achieved from a governance perspective also with numerous Committee Charters drafted and adopted.
- Thanks to the Junior Competition Committee for delivering a staggering number of playing opportunities for junior baseballers this past Summer in the wake of unprecedented weather conditions and COVID-19
- Thanks to the Minor League Committee who worked tirelessly to ensure as many games as possible were able to take place this past year.
- Acknowledged Manly Eagles Baseball (State League Committee) and the great work that they did in returning to profitability especially given the limited number of games throughout the season.
- The MWDBA Constitution is outdated and difficult to work with. Hopefully the incoming board will make review and drafting a more suitable version a priority this coming year.
- The Junior Representative Program is in excellent shape thanks to the hard work of Chair Darren Kelly.
- The MWDBA Community needs to be conscious of the drop in junior player numbers
- Infrastructure for baseball in our region must remain a key priority over the next 5 years. The recently formed Infrastructure Committee has done magnificent work in prioritising projects and liaising with Northern Beaches Council

6. **Presentation & adoption of Annual Report**

Motion to accept the Annual Report

Moved: Michelle Camphius

Seconded: Noel Markham

7. Presentation & Adoption of Financial report

Carly Clarke presented the Association's Financial Report and spoke to the main components. Carly was approached by the Board in June 2021 to fill the casual vacancy left by the retired treasurer. Vicki Quinlan who undertook general bookkeeping duties as a volunteer was of huge assistance.

- Revised budgetary process now in place. All out of budget expenditure must now have Board approval
- All committees operated at a surplus or break even for the first time in many years.
- Accounting software was transitioned from MYOB to XERO which is much more user friendly and is cheaper to run. The treasurer is now in a good position to be able to deliver accurate monthly reports to the Board
- RL SMSF Audits was engaged to review the 2020/21 accounts and provided several recommendations to the Board which were all adopted.
- For the first time since amalgamation the current financial year accounts were able to be audited prior to the AGM. The auditor was extremely impressed with the quality of the accounts and provided no recommendations from 2021/22.
- The Board has made the decision to move away from holding inventory eg. Clothing and uniforms due to the substantial amount of money that has needed to be 'written off' in recent years.
- An Infrastructure fund has been set up to assist with the funding to future projects.

Motion to accept the Financial Report

Moved: Luke Eisenhauer

Seconded: Michelle Camphius

8. Appointment of Auditor

RL SMSF Audits to be appointed as the Association's Auditor for 2022/23.

Moved: Luke Eisenhauer

Seconded: Helen Wyatt

9. Nominations for Life membership

There were no nominations for Life Membership

10. Election of Office Bearers

All Board positions were vacated and Stuart Hanrahan was appointed to manage the election and board appointment process. Josie Rossello was appointed as the Returning Officer for the elections.

President:

Brook Russell addressed the AGM

PJ Patterson addressed the AGM

Members were asked to submit their ballot papers.

Brook Russell was appointed as MWDBA President

Treasurer: Carly Clarke was the only nomination and was elected unopposed

Secretary: Stuart Hanrahan was the only nomination and was elected unopposed

11. Appointment of General Directors

Nine members stood for election for 6 General Director positions. A ballot was conducted and the following members were appointed:

- David Gledhill
- John Hughes
- Mark Lowe
- Luke Mallam
- Michael O'Neill
- Joe Weller

Stuart asked the members to thank Josie Rossello for her work as returning officer and declared the Annual General Meeting closed.

12. Meeting closed at 8:31pm

MWDoba

PRESIDENTS REPORT

Welcome to the Manly Warringah District Baseball Association (MWDBA) Annual General Meeting for 2023.

The 2022-2023 season was another success for Manly Warringah District Baseball. With the COVID-19 pandemic firmly in the rear vision mirror, the baseball community looked to move from a difficult time for all, to a strong and exciting baseball season, unfortunately the historic rainfall of the previous season lingered.

Whilst John Fisher, St Matthews Farm and Rat Park had fared well, Aquatic Reserve was still suffering badly from the rains and was not available for the commencement of the season. Through the herculean effort of a band of dedicated volunteers, Aquatic was returned to a playable condition. I would like to thank and congratulate those involved in the restoration.

The unavailability of Aquatic Reserve for the commencement of the season meant that all the competitions had to rally together to manage the use of the other grounds. Another consequence, as with last season, the MWDBA was scheduled to hold junior state titles, but unfortunately had to withdraw from this commitment.

The Pittwater Baseball Club took up the hosting role. The Club, led by President Colin Rossello and a dedicated group of volunteers produced an exceptional environment for the Little League, Little League Division 2, Intermediate League, and Junior League State Titles. Their work included a significant investment in the infrastructure at Rat Park, which will benefit the Club for many years to come. Congratulations to all those that were involved in the endeavour.

Another unfortunate outcome of the pandemic is the deferment of the planned rectification works at Aquatic Reserve by the Northern Beaches Council. The Committee and Infrastructure Committee continued to engage with Council in the hopes that the works can return to the pre-pandemic timeframes.

The MWDBA Committee saw significant changes in its members with Renee Phegan joining as the new Secretary, new Directors, David Gledhill, John Hughes, and Luke Mallam and myself as the new President. The Committee's immediate focus was on the growth of the player numbers and the reduction of operating costs of the Association.

The Committee undertook a complete restructure of the marketing program of the Association, including the program costs, increased collaboration with the Clubs, control of webpage and social media platforms being returned to the Association and the use of analytical and targeted marketing approaches. The hard work of Carly Clarke, Luke Mallam and the Marketing Committee has seen substantial savings in this area.

All the competitions were profitable this season with revenue up significantly. The increase was driven by player numbers in the competitions moving back to pre-pandemic numbers, increase in canteen takings, players clinics, sponsorships, and

donations. This means the Committee can drive forward key infrastructure projects with purpose and confidence.

The State League competition has had a significant change this year with the incorporation of the competition to become Manly Eagles Baseball Club (MEBC). The new club being affiliated with MWDBA becoming the fifth club within the Association.

The competition had an outstanding year which was evidenced through increased spectator attendance which in turn resulted in a significant increase in canteen revenue. The competition saw spectator attendance that outstripped attendance at Sydney Blue Sox games. Several of the Wednesday night 1st grade games had crowds over 350. These results were due to the collaboration between State League and the Junior Competition Committee having the Intermediate League players and other junior club members attend the games, enjoying great canteen food and great baseball. It was a great pleasure for me to be asked to take over the 1st Grade team as the interim head coach for the season, to see the enthusiasm of the large crowds that drove the performance of the team. Separately, attendance numbers at their junior camps also increased.

Congratulations to Club Coach and 2nd Grade Coach, Tim Clarke on team winning the 2nd Grade State League competition and great results of all the State League teams. MEBC President Michael O'Neill and the committee are to be congratulated on the formation of the new club and the 2022-2023 season.

The Minor League competition suffered with the difficulties of the weather and ground conditions but nonetheless were able to run their usual cadre of competitions through summer and winter. This season saw the Minor League collaborate with the Pacific Coast Baseball League to expand the competition. The player numbers are again moving back towards pre-pandemic level, but I know that the Committee members are not resting on this result and are committed to growing participation. The importance of the Minor League competition cannot be understated. It is a vehicle to keep graduating junior players in baseball, introduce new adult players to baseball and give baseballers of all ages a great competition to continue with their baseball career. Personally, one of the most satisfying sights is seeing baseball being played for the pleasure of the game on the weekends and weeknights.

Congratulations to all of those that participated in the competitions and the winners of those competitions. Congratulations to President, Helen Wyatt, the committee, and all those hard-working volunteers that maintained the grounds and produced an exceptional cadre of competitions.

The Junior Competition was again another exceptional season, despite suffering from the same weather and ground conditions. The competition also saw player numbers return to pre-pandemic level. The Junior Competition is like no other in the metropolitan area, the Association is unique in the geographical, population constraints and proliferation of other junior sports on the peninsula. Despite this the Committee and the

Clubs produce a quality competition participated in by great players, supported by their families. Junior baseball has always been a sport that the whole family can participate in and contribute to, and this is evident in the Manly Junior Competition. I enjoyed my visits to all other club grounds during the season, seeing kids on the diamond, parents and carers coaching or working in the canteen or scoring or umpiring the games. More importantly, I always enjoyed the cheering and enthusiasm for the safe hit, the great pitch or the play made regardless of the team on the field or in the batting box.

Congratulations to President Jayson Page, the Junior Competition Committee, the Club Presidents, their committees, and volunteers for a great season of baseball. Congratulations to all the division winners. Well done to Forest Baseball Club, President Owen Harris, Committee and volunteers on a great Junior Competition Finals. As important, thank you to the families that participate in the Junior Competition, and I encourage you all to continue with baseball after the kids graduate from junior baseball and talk to your friends and get them into baseball.

The Junior Representative Program is always a strong component of the Association. The small association that we are is not reflected in the quality of the players and coaches that participate in the All-Stars program.

The 2022 season saw the Senior League team win the State Title and finish 3rd in Nationals. Congratulations to PJ Patterson and coaches on the outstanding results.

The 2023 season has another strong turnout for the Representative program. The selection of 5 Rookies Cup teams including the 1st all-girl representative team was a highlight. Two of the teams going through the tournament undefeated. I am sure all the players had a great tournament for their first representative experience. Congratulations to the players and team management and keep coming back for representative baseball.

The other 2023 division teams trained hard in preparation for their State Champions and represented Manly in a very enthusiastic and professional manner. The atmosphere at all their games was great and the play that I saw at Pittwater was wonderful to see. As I said earlier, the atmosphere at the park was a credit to the Pittwater Baseball Club.

Congratulations to Luke Donaghey, James Landers, Dan Mills, Zac Morris and James Peel on being selected in NSW State Teams and Dan Mills on the Australian U18 Team selection. Also, congratulations to Sienna Gledhill for her selection into the NSW Youth Team.

Well done to the Representative Committee on fielding quality teams and managing the program.

The MWDBA continues to pursue the participation of girls and women in baseball. Our participation continues in the State League Women's 2nd grade competition, and I know that MEBC are continuing to pursue the inclusion of Manly in the 1st Grade competition. Congratulations to the Forest Baseball Club and Minor League on the 1st all female

team in this season's winter competition. The Committee hopes that the all-girl Rookies Cup team will be a continuing presence in the Representative Program.

It is with much sadness that this past season, Manly Warringah District Baseball lost two life members, Gordon Blinkhorne and Bill Hardman. Just this past week, we lost Jim Gagen, Jim was a great supporter and stalwart of Manly Baseball. They will all be sadly missed.

I want to thank the Manly Warringah Baseball Association Committee. The way the Committee worked together this season is to be commended. The meetings and all the communications in between were collaborative and productive. I am proud of the way the members used their own personal skill set to enhance and improve the performance of the Association. I appreciate the commitment and accountability that the Committee has demonstrated throughout the year. They made the leadership role that I took on an easy task.

This committee has continued the work started during the previous year and we place two resolutions before this Annual General Meeting as a first step to producing a new Constitution for the Association.

During this year, Mark Lowe resigned his position as a director. I would like to thank Mark for his committed service to Manly Baseball, through Pittwater Baseball Club, the Junior Competition Committee, the Representative Program and the MWDBA Association and wish him well in his future endeavours.

Another long-standing committee member Michael O'Neill will not be standing for election at this AGM. Michael has been involved with MWDBA since the competition committees amalgamated to become the MWDBA. His service to Manly Baseball extends back well beyond the current iteration of the Association and he continues his passion for Manly Baseball as the President of the State League Committee and the inaugural President of Manly Eagles Baseball Club. Thank you are not sufficient words for the contribution you have made and continue to make to Manly Baseball.

Thank you to the Manly Warringah Baseball Umpires for your continued commitment to Manly Baseball. The games could not be played without those committed umpires that we see week in and week out. Thank you for your commitment to the development of junior umpires. The Committee looks forward to a continued partnership with you. I would encourage all players young and old to consider the other participation component of baseball and join the Manly Warringah Baseball Umpires, it is a great way to contribute to the game.

Finally, to all the players, families, committees, volunteers, scorers, umpires, grounds keepers, canteen staff and everyone involved in Manly Baseball, I want to simply say thank you. Whilst the Committees often accept credit for the performance of baseball on the peninsula, we stand on the shoulders of giants, which is all of you, to make Manly Baseball the best Association in NSW, if not Australia (bias aside).

I encourage everyone that is involved in Manly Baseball, who does not already volunteer your time to do so in some manner, no matter how large or small that contribution may be.

I also encourage you all to consider roles in any of the Committees attached to Manly Baseball. No sport can operate without passionate Committee members who undertake the roles not for praise or adoration but to provide enjoyment in the sport of Baseball.

I have been involved in baseball for more than 50 years and I love the sport. I urge you all to maintain your passion for the game and hope that you will continue to love baseball as much as I do.

Yours in Baseball,
Brook Russell
President

**ANNUAL TREASURER'S
REPORT**

Annual Treasurer's Report

Fiscal Year - March 2023

INTRODUCTION

The 2022-23 season was very successful year with a record number of rounds being played for both Juniors and Minors. It was the first of several years not to be affected by COVID restrictions and severe wet weather.

My focus as Treasurer is to ensure a financially strong and durable sporting association and to improve our infrastructure, hence providing more playing opportunities for all players. MWDBA continues to focus on the following strategies:

- The fiscal management of each playing entity ensuring they are contributing to the overall wellbeing of the association.
- Continuing to grow our player numbers through marketing and promotion.
- Reinvesting in the game particularly through infrastructure development providing more playing opportunities for the growing number of players.

This season was the first in several years where we were able to complete full rounds of the competition with the juniors completing 16 rounds plus 2 finals rounds and Minor League playing a record 19 rounds plus 2 rounds for finals. State League also had a successful season completing nearly all scheduled rounds.

FINANCIAL HIGHLIGHTS

- An Infrastructure fund totalling \$80,925 was established for Minor League. This is to be used for major infrastructure projects including the upgrade of Aquatic Reserve. This account will earn over \$3k in interest income per year and we expect contributions of around \$10k per year going forward from Minor League fees.
- Manly Eagles Baseball Club (MEBC – previously known as State League) recorded a record net profit of \$19.7k leaving them in a very solid financial position for the reaffiliation which occurred 1 April.
- Uniform inventory has been reduced very significantly over the past 3 years. As of April 2023, current uniform inventory for the association is only \$1.8k, down significantly from \$32k back in March 2020. As mentioned last year the idea is for players to purchase inventory direct from suppliers thus reducing the administrative workload and, also the significant uniform write-off costs experienced in previous years.

FINANCIALS

MWDBA financials are a combined set of accounts reflecting all the activities of the Association which includes Juniors, Junior Representatives, Minor League and State League. Minor League maintains three competitions Winter, Summer, Masters and State League includes Grade, U18's and Women's. Junior Representatives maintained 2 competitions this year – Sydney Cup and All Stars (State Championships). There have been some discussions about running a winter development program for Reps but at this stage many players are participating in external competitions for winter development.

RESULTS

MWDBA's total revenues for 2023 were \$249,987, very similar to the prior year. Profits were up 72% to \$42,451, however nearly half of this was attributable to State League and was transferred to MEBC in April as a result of the club reaffiliation. The remaining profit (\$22.8k) will go into retained earnings, securing funding for future infrastructure development, and ensuring a secure future for the association.

Note that State League had a very profitable year with net income of \$19.7k. This was mainly a result of a very successful Christmas camp bringing in \$16.9k in revenues, sponsorship revenues of \$8.9k and strong canteen profits of \$10.4k.

Manly Warringah District Baseball Association

MWDBA	2022 Total	2021 Total	Variance	Change
Revenues	\$249,987	\$249,755	\$232	0%
Gross Profit	\$129,649	\$118,740	\$10,909	9%
Net profit	\$42,451	\$24,650	\$17,801	72%

MWDBA income is driven by several key revenue drivers being:

- Club and Player Registration
- Coaching Activities (player camps)
- Canteen
- Sponsorship & Donations

Overall revenue across MWDBA was similar year on year, however costs were down significantly helping to boost net profit. As an association we have been working hard to cut costs where possible as well as reduce inventory which has historically resulted in significant write-offs.

Overall, the gross profit – revenue less cost of goods was up significantly (\$10,909) on prior year.

ASSETS

Total Equity is up to \$179k of which retained earnings was \$137k and current year's surplus \$42.5k. Of this balance, it is predominately made up of a cash balance of \$185k.

Note that uniform inventory has been reduced significantly over the past 3 years. Uniform inventory was \$32.4k as of 31 March 2020, \$14.5k as of 31 March 2021, \$11.3k as of 31 March 2022, and \$8.5k as of 31 March 2023. After the MEBC reaffiliation, uniform inventory is only \$1.8k and we'll continue to reduce this to zero as players order directly from suppliers hence reducing the workload around inventory and the significant write-offs we faced over the past several years.

LIABILITES

Liabilities consist of accruals. Key accrued amounts represent end of season presentation costs for MEBC, AGM volunteer event, audit fees, advertising signage costs, MEBC coaching costs, host fees for imports and trophies.

PERFORMANCE

In summary, the overall net profit for the association was \$42.5k. Of this amount \$19.7k was attributable to State League and was transferred to MEBC in April when the club reaffiliation occurred.

PLANNING

The two key challenges that MWDBA continues to face are providing adequate grounds and growing player numbers. Over the past 12 months some progress has been made on plans to provide adequate grounds for the future. Additionally, MWDBA has set up an infrastructure fund totalling \$80.9k in order to support the improvement of our current grounds.

i. Grounds:

The use and demand of our sports fields in Northern Beaches is forever increasing and the Northern Beaches Council is actively looking to improve sports ground use.

The investment in North Narrabeen Reserve (Rat Park) has been completed with new state of the art baseball grounds.

Northern Beaches Council has pledged to refurbish Aquatic's baseball grounds with a focus on improved drainage, targeted for 2024-25. Additionally, there are plans to submit a development application for ground lights for fields A2-A5, as well as Rat Park 1. MWDBA plans to contribute to the project for ground lights via Infrastructure funding and grants applications.

ii. Playing Numbers:

Player numbers in MWDBA juniors rebounded in 2021 but dropped of significantly in 2022. COVID restrictions prevented clubs from being able to hold their usual try baseball days in July and August 2021 and all four clubs were down in terms of playing numbers year on year. Player numbers rebounded slightly again for the 22/23 season but there is still some work to do in getting player numbers back to levels seen in 2021.

Juniors by Club	2018	2019	2020	2021	2022	2023	Var 2023:22	CARG 2018:23
Seasiders	136	130	151	158	135	147	9%	2%
Warringah	114	90	50	85	77	91	18%	-4%
Forest	193	204	214	253	229	256	12%	6%
Pittwater	156	168	174	205	152	164	8%	1%
North Sydney	153	184						
Dragons	24							
North Shore			26					
TOTAL	776	776	615	701	593	658	11%	-3%

Senior playing numbers had a very good year in 2021-22 with the transition of Juniors to Seniors continuing to improve, plus many parents of junior players signing up to play themselves. However, the wet weather in winter 2022 hurt playing numbers for the 2023 year with numbers across all competitions down year on year. Total minor league player numbers were down 18% compared to the previous year but have seen a compound annual growth rate of 4% over the past 5 years.

Minor League	2018	2019	2020	2021	2022	2023	Var 2023:22	CARG 2018:23
Winter	250	257	258	273	304	226	-26%	-2%
Summer	100	111	133	172	210	174	-17%	12%
Masters	47	47	47	76	69	80	16%	11%
TOTAL	397	415	438	521	583	480	-18%	4%

*Aquatic unplayable - 62 refunds

iii. Coaching & player retention

We are well supported by eager and qualified coaches across most clubs and the rep program. The baseball community is incredibly grateful for the time and effort that they commit to the sport.

We will continue to look at ways of supporting our coaches and ensuring that infrastructure and equipment is available to support their efforts.

While we are progressing with these challenges, I look forward to the support of MWDBA and the baseball community as we promote and improve Baseball in this region.

Many thanks

Carly Clarke
MWDBA Treasurer

**JUNIOR COMPETITION COMMITTEE
REPORT**

JUNIOR COMPETITION COMMITTEE REPORT

Executive Committee:

Jayson Page (Pittwater) Chairman
Julie Hogan (Pittwater) Secretary
David Gledhill (Manly Seaside) Competition Coordinator

Board Members:

Owen Harris (Forest)
Mark Gibson (Manly Seaside)
Colin Rossello (Pittwater)
Matt Eisenhauer (Warringah)

Firstly, I would like to thank the Junior Competition Committee (JCC) for their outstanding work in administering junior baseball in the Manly Warringah District. The Committee continue to dedicate a significant amount of their time to baseball, both as representatives of Manly Baseball and their own clubs.

The Competition was run across all age groups from U9 Teeball to Senior League with a total of 51 teams participating from all four clubs.

- U9 Teeball 7 teams
- LL Zooka 11 teams
- LL Minor 10 teams
- LL Major 7 teams
- Intermediate League 4 teams
- Junior League 8 teams
- Senior League 4 teams

The 2022-2023 Junior Competition had 658 player registrations with the following breakdown by Club:

- Forest Baseball Club - 256 players
- Manly Seaside Baseball Club - 147 players
- Pittwater Baseball Club - 164 players
- Warringah Baseball Club - 91 players

The 2022-23 season was the first season in two years that saw minimal disruption due to Covid-19 and rain. This was a welcome break to all of Manly and meant the complete focus was able to be on the kids having fun and developing as players.

The 2022-23 also season saw the return of the Wednesday night Intermediate Competition. There was a focused effort by the JCC to ensure this competition was back up and running for this season and it proved to be well worth it. The games were great and players, coaches and families had a great time. A huge Thank You to all involved in setting up and managing the Intermediate Competition through the season.

The Senior Competition was again run on a Friday night with four teams participating from Forest, Pittwater, and Seaside. I would like to congratulate the Senior League

players who have completed their Junior Baseball careers and hope they continue with baseball in the Manly Senior Competitions.

Congratulations to the following teams for being Minor Premiers at the conclusion of the Competition Rounds:

- LL Zooka Forest Red Sox
- LL Minor Pittwater Sharks
- LL Major Forest Diamondbacks
- Intermediate League Padres
- Junior League Forest Athletics
- Senior League Manly Seaside Hornets

Congratulations to the Coaches, Assistant Coaches, Managers, Scorers, Pitch Counters, and the families involved with the Minor Premier teams.

Forest Baseball Club hosted the Finals series. Congratulations to Owen Harris and the Forest Club on running a successful final series. The Forest Club did an amazing job, especially considering the need to relocate the first Saturday of Finals games to Pittwater Park due to Aquatic being washed out.

It was great to see the Senior League Finals back at Aquatic this year. Congratulations to the Senior League Champions, Forest Rockies.

Grand Final day brought sunshine and great baseball. The opening ceremony was held to start the day with teams, officials, and spectators gathering for the Australian National Anthem, and the ceremonial first pitch thrown by PJ Patterson (new Forest Life Member) to his son, Aiden.

Congratulations to the following teams that were Champions in the respective divisions:

- LL Zooka Forest Red Sox
- LL Minor Pittwater Sharks
- LL Major Forest Diamondbacks
- Intermediate League Angels
- Junior League Forest Athletics
- Senior League Forest Rockies

Congratulations to all the Coaches, Assistant Coaches, Managers, Scorers, Pitch Counters, and the families involved with the Championship teams.

Congratulations to the Minor League and State League competitions on their respective seasons.

On behalf of the Manly Warringah Junior Baseball Committee, I thank the Manly Warringah District Baseball Association Committee, the Minor League Competition Committee and the State League Competition Committee, and the Manly Warringah Baseball Umpires Association for their support of the Manly Warringah Junior Competition, as coaches, mentors, umpires, parents, and supporters.

Congratulations to the clubs, their teams, team officials and importantly the parents for supporting the Manly Warringah Baseball Junior Competition by allowing their children to participate in this year's competition.

It is my hope that Manly Warringah Baseball continues to prosper and that kids keep playing and enjoying the game of baseball.

Jayson Page
Chairman
Manly Warringah Junior Competition Committee

MWDOBA

**JUNIOR REPRESENTATIVE
COMMITTEE REPORT**

MWDBA Jnr Reps – Chairmans Report 2023

What an outstanding 12 months it has been for the Manly Jnr Reps Program.

2022 All Stars was filled with outstanding results, led by PJ Patterson, Mark Lowe and Tim Cox and their Senior League team winning Manly's first State Title in many years.

The team then went to Geelong for Nationals and came home with a great third place result. Outstanding play by the entire team and such a great result after all the hard work the team put in.

During the winter, Manly players and coaches also participated in travel ball for the Northern Beach Bums where we had multiple players and coaches selected to represent Australia in various tournaments in the US. Whilst not a Manly run event, I want to congratulate everyone for representing themselves as exceptional as always. Well done to all involved.

From September 2022 we started our Sydney Cup / Development program. Manly had teams represented in the three divisions, U16, U14, U12's. We also had a development program for players to be able to participate in scrimmage games against other associations, this catered for our younger players which helps us develop a larger rep pool that contributes to a stronger rep program overall.

As usual, all our teams performed well and were very competitive.

November saw us look at our Rookies Cup trials. Previously Manly had only picked two Rookies Cup teams. This year we had a massive amount of kid's trial, and the fact that we had such great talent, and a large coaching pool available to us, we decided to pick 5 teams, including the first all-girls team.

Manly then went to Rookies Cup in the end of Feb and absolutely owned the tournament. Winning Div 1, 2 and 4 and also runners up in the girls Div. Our 3rd Div team also did a great job winning games and just missing out on a top place.

I cannot thank enough the coaches and EO's and parents for embracing this part of our program. Without you all it would never happen. What a great future we have for Manly Baseball.

2023 All Stars – This year we entered a team into all 5 divisions of the BNSW State Championships. Our teams had exceptional coaching as usual and whilst none of our teams are heading to Nationals, all our teams' won games with LL Minors, LL Majors and Intermediate finishing in the top 5 or higher, and Junior League and Senior League finishing 7th.

Thank you to Pittwater Baseball Club for hosting the LL and JL/IL tournaments. What great events they were, and I heard nothing but positives from BNSW and all other associations.

Manly Junior Reps this year, had over 150 jnr players in the program this year. 55 Rookies, over 70 in All Stars and another 30-40 players in the Dev Program. These numbers show the importance of this program and that it must get the recognition and respect it deserves.

A few people I would like to thank,

For their continued support of the program, the Presidents of our clubs. Thank you.

Also, Jayson Page, the JCC Chairman. It was a pleasure working with you and being able to get things done in an approach that worked for all.

Thank you to my committee for all they do, especially Carly Clarke.

To PJ Patterson – thank you for your support and the great efforts you put in. Your guidance has been greatly appreciated.

Stuart Hanrahan. Your role as head coach and guidance of this program has been the reason for our success. The improvement that our coaches have received during the last three years has made this association so much stronger. Not everyone always agrees with what we have done, but the results speak for themselves, and I couldn't be prouder of the work we have done. I thank you for all your time and effort and support as I am sure all families do as they see the improvements in their kids playing this sport.

Finally, to all the Coaches and EO's over the last three years. Your efforts and commitment have been outstanding and without you all, this program doesn't work. Thank you isn't enough, but I hope you know how much I appreciate all you've done.

Thank you and good luck to all involved in the Jnr Rep Program moving forward.

Regards

Darren Kelly

Chairman – MWDBA Jnr Reps

MWDBA

**MINOR LEAGUE COMMITTEE
REPORT**

MINOR LEAGUE REPORT 2022-2023

MWML continues to be a significant part of MWDBA. While Covid was less of a challenge, the wetter summer continued to impact diamond availability through the 2022 winter season and required some creativity to ensure players still got a game in. Even so, over the last 12 months, Minor League put on a Winter competition (Hybrid with PCBL and a local 4th grade comp), Summer 2022/23 and Autumn 2023 Masters Tournament. I say this every year, but it is worth repeating, that none of this could have been achieved without the incredible support of Joe Weller (VP Minor League) and the rest of the Minor League Committee (Andrew Turner and Michelle Camphuis) and our Senior coordinators, Matt Eisenhauer (Warringah), Paul Lidgard (Seasiders), Andrew Logue (Forest) and Parrish Castaing (Pittwater).

Despite the enormous challenges faced in getting our competitions happening (particularly over the winter months), the ability of Minor League to continue to get the show on the road is due to the dedication in particular of our grounds crew, coordinated by Joe Weller. The hours that are spent preparing the fields each week is unprecedented and we are all extremely grateful. This includes a second shout out to the grounds crew at Rat Park, Damian Spinks and Garry Coggan. Without these additional fields, many weekends of baseball would have been lost.

Our senior coordinators help us to have a closer association with the clubs and we continue to strive to ensure that senior baseball is highlighted as an important component within these clubs, providing a pathway for graduating juniors and family participation.

Our seasons would not be possible without the support of our Manly umpires. We were fortunate to have Cheryl Amir as our umpire coordinator who continues in the role to find umpires to plate and field as many games as possible each week, and importantly had the blues officiate our GF's. On behalf of the whole of Minor League, a very big THANK YOU Cheryl and all our BLUES. Umpiring is a critical part of the game, and it continues to be a focus for us to encourage our players to become accredited.

Winter 2022

In 2022 our top 3 grades participated in the Pacific Coast Baseball League (PCBL). 3 Teams in 1st Grade, 3 teams in 2nd Grade and 3 teams in 3rd grade. Joining up with PCBL not only gave our teams the opportunity to play against a number of different clubs and players, but meant that winter baseball could go ahead when our local grounds were not playable.

We were able to support a 4th Grade competition of 4 teams (50 Players) at Balgowlah oval. This, often forgotten about field, was a life saver when no other grounds were available. It also attracted numerous passing spectators and a few new sign-ups. Sadly, we had to turn away a large number of 4th graders, as the limited availability of Balgowlah Oval meant we could only accommodate 2 games on a Saturday afternoon.

Grade Winners:

1st Grade (PCBL):

Winners: Forest Mavericks

MVP: Ash Roberts

3rd Grade (PCBL):**Winners:** Forest Fighters**MVP:** Chris Layman**Runners up:** Seasiders Eagles**4th Grade: (4 Teams)****Winners:** Seasiders Cougars**Runners up:** Forest Fourths**Summer 2022/2023**

Summer 2022/23 saw a slight decline in player numbers back to 2021 levels, with 13 teams (174 players) participating across 3 grades. Our first grade Forest Renegade joined PCBL for the Summer which allowed us to keep an even 2nd and 3rd grade local comp, without the need for a BYE round.

Coming out of a very wet winter, player reluctance to commit to the season continued to be a reason provided for the reduced numbers. In putting the draw together, the committee was prepared for numerous wash outs, given the previous wet summer, but the rain held off and our Summer competition provided most teams with an incredible value for money 19 rounds, excluding finals.

2nd Grade:**Winners:** Forest Mets**Runners Up:** Warringah Redbacks**3rd Grade:****Winners:** Seasiders Sabres**Runners Up:** Forest Trash Pandas**Autumn Masters 2023 (Over 35's)**

Our Summer/Autumn Masters competition continues to be a popular addition to the ML calendar, this year seeing our first (2) female participants join for night time games under lights. This 10 week competition was once again played on Monday and Wednesday evenings on Aquatic 1 with the eskies and bbq keeping the players at the grounds long past time of game. This **6 team (80 player)** competition for Over 35's is a 10-week competition culminating in a 1st v 2nd GF at the end.

In 2022, the masters season was unfortunately cut short due to wet weather, but the 2023 season was a resounding success with most teams getting 9 rounds. The GF was an all Forest affair.

Winners: Forest Owls**Runners Up:** Forest Mudcats

Simon Lowde Perpetual Trophy - (President's award): Michelle Camphuis

The President's award is presented each year to an individual that has contributed above and beyond to the smooth running of MWML. For a number of years, Michelle Camphuis has contributed in many capacities to Minor League. She is involved as a Team Manager, a Grade Manager, a scorer, a past ML President and our current Results recorder and member of the ML Exec. Michelle brings a wealth of knowledge and a big smile to our committee meetings and has become well known for her result sheet requests written as song lyrics. Michelle has been a constant in Minor League and we value her ongoing support. Get your results in!

A very big THANK YOU to Michelle for all the hours of your time you contribute to Minor League - this year's recipient of the Presidents Award.

Our Future:

There is never any down time in Minor League. As I write this report, we have just completed Round 1 of winter 2023. Our struggles with field conditions, and shortage of umpires are still high on the Agenda, but on a positive note, we see our first ever all female team, the Forest Chicks, join our 4th grade, so things are looking up.

Helen Wyatt

Minor League President 2023

Manly Eagles Baseball Club

The Manly Eagles Baseball Club provides an environment for all levels of playing baseball. It is a club rich in history, continually seeing members furthering their skills whilst playing for the club. It has seen many graduates move onto playing for Australian, US College and US Pro teams in both men's and women's baseball. Manly Eagles has a huge wealth of dedicated staff, coaches and volunteers that run the day-to-day tasks that keep the great tradition of baseball going here in Manly. Manly Eagles is a winning organisation that expects the very best from its players and coaches whilst playing in its colours. Its aim is to continually develop the game of baseball competitively through knowledge and fitness gained in playing for Manly

Mission Statement

To provide our players with the most professional baseball experience possible

Vision

Baseball demands the best from an individual within a teamed environment. It takes great fitness and belief in one's ability to act quickly and precisely to play this game. It also takes patience, dedication and teamwork. As a club we expect players to train to improve their skills, fitness and disciplines of the game whilst recognizing that they need to make extraordinary sacrifices in their work and family commitments to do so. From those sacrifices we expect to win all the time and players will be found out by coaches and teammates when they are not doing the work to better themselves and the team they commit to.

Manly Eagles Values

Players

- To play with passion and pride befitting the Manly jersey within the bounds of the rules and the spirit of the game
- To train regularly with purpose and determination
- To play for Manly is to embrace leadership, take ownership; don't follow, get better

Coaches

- To provide every player the opportunity to excel and achieve their highest potential
- To continue to learn to be able to stay up with the game
- To exhibit the same character, professionalism and respect that we expect from of our players

Administration

- To provide a top-notch experience at an affordable cost. Our fees are set with a humble understanding of the costs associated with running a league of this level
- To act professionally is paramount. Manly Eagles will have several administrators who are strictly devoted to the needs of our coaches, players and families
- To run 'State League' in line with the peak body whilst maintaining and overseeing State League's ideals and values

Fans

- To support and partake in all club activities respecting the Manly Eagles Baseball's long history whilst embracing the club's ideals and values

Zac Morris - U/18 NSW Team

Luke Donaghey - U/18 NSW Team

Sean Parkinson - Ventura Community College, California

Wilson Spinks - Ventura Community College, California

Daigo Yamaguchi - Doshisha College, Kyoto, Japan

Noah Watts – U/18 NSWC Team

James Peel – U/16 NSWC Team

Manly Eagles Baseball Club

President's Report

2022- 2023

Congratulations to everyone for an outstanding year. Your Manly Eagles Baseball Club was on fire in every department from playing to coaching, volunteering to grounds, scoring to fan participation, we've ended the season with great results both on and off the field.

On the field we had a great year under Head Coach Tim Clarke's commitment in creating a relaxed environment for our players. They knew each round; each game was important and prepared training so they could go and play their best and enjoy each game. Tim asked of everyone to increase attendance and effort at trainings. This was taken on and noticeable. It contributed to seeing teams go close to making finals, 18's, 1s and Women's all missing out by a game, and 2s winning the premiership. Tim well done on the personal win with 2s, but also a huge nod to how you approached this year on the back of a year cruelled by the weather.

When you're looking at the club's results this year, think about the players we have overseas at the moment. A whole team that could compete pretty well in the BNSW 1st Grade comp. Aiden Torpey, Jaylin Rae, Max Millner, Zac Murphy, Josh Beezley, Tom Butler, Diago Yamaguchi, Sean Parkinson, Wilson Spinks are all in USA Colleges. Josh Gessner with the Texas Rangers organization. MEBC wishes them all continued success on and off the field.

I'd like to thank our sponsors. Sapere, Railius, 7th Day Brewery, Ryan Manfield Plumbing, Trident, Coastal Concepts, TME Custom Cabinets, Display Solutions, UME Baseball, Procar and Tokyo Cleaning. We're incredibly thankful for your support this season and look forward to working with you again next season. Our game is hard enough to run in ticking this box and that box under BNSW, anything we're able to get in partnership with companies like these is so helpful in the day to day running of MEBC. As players, supporters and volunteers we ask that you might help as well by supporting our sponsors when you can.

This year's BNSW Div 2 Women's team was coached by Chris Hurley and assisted by Luke & Todd Eisenhauer. Chris and his team went very close to making the finals for a second straight year, but missed out when the last round at home was washed out. Well done Chris, Luke and Todd for the time you put in this year. The team was very competitive and well prepared each week. Hitting this year was the real reason for results. The players had taken an approach of 'no ball shall pass' and the strategy seemed to work with multiple hits each week. None better than Leni Ward hitting for the cycle at ELS Hall. One for the ages and from my brief knowledge of the club's history, the first. The hitting was ably backed up with great pitching and fielding to help put another successful season in the books. The club's goal is towards two Div 2 teams and a Div 1 team over the next 4-5 years. The platform of coaching and player ability has been set but needs to keep elevating and getting better. This off season will be a key to driving towards the club's goal and we're looking for fresh input from the players to help attain the next stage of our women's program. I'd also like to mention that Luke Eisenhauer has taken on the role of the BNSW Women's Committee Chair. Congrats Luke.

Our 3rd Grade team was Coached by Heath 'Nugget' Dennis and assisted by Matt Goddard. Thanks to both of you for being involved. It wasn't 3rd Grade's year this year unfortunately. The team just fell short in producing runs and leaked a few too many late in games. The effort never faulted and spirits were high so all we can say is we're proud of the way you conducted yourselves and the effort put into training and playing for MEBC this year. Having Nugget back was fantastic as he and his family have great history and moments made in your club. It's

fantastic to see an old boy wanting to be involved, so thanks Heath for your involvement, passion, and leadership this year.

Staying on the old boy theme, MEBC would like to thank Anthony Krajancic for his time this year spent with our catchers. TK put together some great sessions & drills for the clubs catchers this year, which paid off and will help an area of the game improve in our club. Thanks TK for your great work this season.

MEBC's Wednesday night promotions were a huge success. Thanks to all who helped each week, especially the usual cast members, Viv, John, Simon, Natalie, Jim, Luke and the Women's team. Without our Women's team helping in the canteen each Wed night we'd have been swamped. And we were smashed most Wednesday nights in the canteen. Make no mistake, our survival has been driven by this one idea thought up in 2017 when DY RSL sponsorship \$ were lost and the club needing to reinvent and build a brand and product to capture what we could from the baseball community in the area. MEBC would like to thank the support of the Junior Clubs, the rep program and two unsung heroes, Luke Mallam and Charles Huntington, for the marketing guidance and support given. As a club we have new ideas and activities we'd like to bring to 'our side of the fence' for next season. And with the continued support of the local clubs, reps and marketers we think we can continue to improve this side of the business to sustain the club's future well past 100 years.

Our Pink Hope Ladies round this year was again fantastic in raising \$3K for such a fantastic and worthwhile organisation.. This year's Ladies Day event saw Pink Hope Ambassador, Jess Braude, throw the first pitch out in 2nd Grade. Jess gave an emotional speech to the players and fans of her battles with cancer, and about the great efforts everyone is doing to help raise the awareness in Women's Health. Thanks to everyone who supported this years Pink Hope Ladies Round.

I'd like to thank our Board & staff for their continued hard work this year in running MEBC. The MEBC Board was made up of, Viv & John Hughes, Simon Lowde, Stuart Austin, Gavin Cupp, Luke Eisenhauer, Ben Logue, and Chris Hurley. Their amazing efforts this year enabled MEBC to elevate your club's exposure to the entire baseball community as a leader on and off the field in everything we're doing. This year saw our Admin team get through an amazing amount of work that will set up the future of MEBC for others to run for years to come.

First Grade this year was Coached by Brian Murphy and assisted by Brook Russell. Brian's continuing efforts in the club are evident in how we continue to hold our values close and play accordingly. Brian was able to prepare a team for the rigors of the 1st Grade competition and hand off that team to Brook when Blue Sox 'came a calling'. Brook was able to elevate the running game and gave the team a confidence and self-belief that saw them steal games that we normally wouldn't have in the past. Thanks to both Brian and Brook for the efforts you both put in to the club this year. Coaching a 1st Grade team in this era of younger players all wanting to head to the USA to play college is challenging. With a whole team of MEBC players that aren't here playing and able to prepare and coach a team that just missed finals is not only a credit to the players but the coaching staff. I know Brian and Brook would like me to thank Chris Dutton. Dutts' effort in and around the club is vital. Chris brings a wealth of knowledge and talent that rubs off on players and staff each and every time he puts on the jersey. Thanks Chris from everyone in the club for the hours you put in.

Our 2nd grade team was coached by Tim Clarke. Tim's assistant coach this year was Gavin Parkinson. What a year! Another GF win. Congrats to all involved with the 2nd Grade team. I think the party back at the club house broke a record as well, with a number lasting to 2.30am. Well deserved. MEBC also acknowledges Ash Roberts MVP GF award, well deserved Ashley. Congrats Tim and Gavin, well coached, another great year behind the helm.

The u18's MEBC team was again coached by Grant Anderson who was ably assisted by Sean Chivers. The team fell short by a game but had a stellar season despite that. The team saw players selected to play in NSW 18's, Dan Mills, Zack Morris and Luke Donaghy. Dan Mills also is a part of the Aust u18's roster for the upcoming series of games. The team continued to be in every game they played in all year. A few extra hits here and there might have converted a couple of close games into wins, but the nucleus of this team has talent to burn all comings pretending to challenge them. Plenty of players within this team made contributions in higher grades this year, which we're very pleased for you and hope that inspires you to go on and be better for it next year.

MEBC would like to thank Natalie Hughes for help she does within our club. Natalie is a big help in the canteen and her commitment and love of the club is infectious. Thanks, Nat, for everything you do and the time you find to help out each year. A huge shout out to Jim Gagen, who was our game day announcer. Jim's commentary is such a huge part of the atmosphere of Wednesday & Saturday nights. Game day includes selling the experience. Jim makes Wed and Sat night games better being behind the mic, thanks Jim.

A huge shout out and thanks to Luke Eisenhauer and Andrew Logue for the tireless work behind the scenes during our game day EBSN coverage's. Also thanks to Matt Eisenhauer in helping to put up cameras. This side of MEBC is so vital and your help and dedication is so important, thanks.

To Noel Markham, our grounds man, thanks very much for the hours you put in to a club that we know you love but rarely we acknowledge. Each game we played this year, you had a small part of why we were able to do so. Thanks Noel for your continued support and love of MEBC.

Another tireless worker on the Aquatic grounds is Joe Weller. Joe's work and help up at Aquatic has been unbelievable. His hand in dealing with council and navigating that mine field has seen little wins and steps forward into getting better playing decks for everyone who plays baseball at Aquatic. Thanks Joe, we're very lucky to have your talents and hard work going into Aquatic.

Lastly, I'd like to say thanks and highlight our scorers. MEBC scorers coordinator was Melissa Haithwaite this year. Not as easy job to find scorers for every game each week, but her job was made a little easier with the help and support of a great group of volunteers and scorers we have within the club. MEBC would like to acknowledge and thank Lisa Mayo, Julie Logue, Diana King, Alena Donaghey, Sarah Mills, Sharon Morris, Nicole Clifford, Josie Rosello, Hannah Vaughan, Helen Wyatt and Lyn Donald. MEBC is so lucky to have a great group to call on to do such a vital role for each team each week. MEBC thanks all of you so much for the time you've been able to give this year.

Thanks very much to all of you for making this year great.

Mike O'Neill
Manly Eagles Baseball Club President

Manly Eagles Baseball Club

Treasurer's Report 2022 – 2023

Fiscal Year - March 2023

INTRODUCTION

The 2022/23 season finishes with one of our biggest years in baseball. The Manly Eagles brand has significantly grown over the year which has successfully influenced all aspects of the club.

Key success of the year include:

- β Strong performance across the teams with 2nd Grade winning another gold medal in an exciting come from behind GF win. 1st grade, U18's and women's all in final contentions right up to the last game of the season.
- β Visitation to the Wednesday nights continue to grow making it a special night for spectators and the players.
- β A very successful Christmas camp with the support of Blue Sox internationals contributing to a two day event with 100 participants on each day.
- β Strong canteen results supported by fine weather allowing us to present 6 of the 7 home games.
- β Solid sponsorship results aided by the NSW women's grant.
- β Another successful Pink Hope charity event generating over \$3,000 in donations.

Manly Eagles is more than just a game, it's an event that combines the spectacle of the game, the presentation of good food & beverage and the comradery and passion of the baseball community. The last few years have been challenging, with bushfires, pandemic and significant flooding all of which have threatened the sport however, I'm pleased to say we have bounced back strongly bringing together one of our best years.

LATEST ESTIMATE - RESULTS

MEBC results are still being prepared with the financial year close being 31 March 2023. It is my expectation that total revenues for 2023 will be \$79k which is 11% higher than prior year. I expect we will have a surplus of \$18.6k which is well up on prior years.

MEBC	2021 Total	2022 Total	MEBC 2023	Variance	Change
Revenues	\$51,163	\$71,331	\$79,001	\$7,670	11%
Gross Profit	\$8,609	\$23,299	\$36,692	\$13,393	57%
Surplus / Deficit	-\$5,086	\$8,530	\$18,605	\$10,075	118%

FINANCIALS

The results have been greatly influenced by a number of successes this season which include

- Strong numbers across the club.
- A very successful Christmas camp which generated 100% over budget
- Canteen activity up 130% on the back of high visitation and fine weather allowing us to present 6 home game rounds.
- A \$5,000 grant from NSW to support women in sport and the continuing support of our valued sponsors.

During the season expenditure spent was equal or below budget. Some key expenditure includes

- Canteen expenses were firmly managed which resulted in a 40% profit margin for the year. This was a focus for the season to improve and sets the foundation for continuing growth.
- Additional playing equipment providing new helmets across the club and bats for the women's team.
- Marketing investment to develop a 30 sec and 2 min reels of Wednesday night baseball capturing the fun and activity of the night that will support ongoing promotion for the 2023/24 season.
- Expensing the Pink Hope playing tops that have been used for the Pink Hope charity event.

ASSETS

The results of 2022/23 will provide a good injection of cash to MEBC ensuring that we have a reasonable foundation to launch MEBC Inc. Members Equity is expected to be \$20.6k of which \$2k is retained earnings and \$18.6k is current year's surplus.

During financial year of 2024 we will need to acquire our playing tops and other uniform items from MWDBA which will equate to a purchase of \$6.7k

Other assets include

- Two hack attack machines
- The batting igloo
- EBSN equipment
- Other general equipment used to support the game and canteen

There are no current or long term liabilities.

PERFORMANCE

In summary, the overall surplus of \$18.6k reflects a very strong performance for MEBC and provides a solid foundation for 2023/24 season.

PLANNING

In preparation for the next season I note the following key challenges.

i. Grounds:

Aquatic Reserve, the home of Manly Eagles continues to be challenged for local and state government infrastructure. The field is very susceptible to rain and general weather conditions which can rule out use very quickly.

Since the flooding during 2022, the supply of diamond sand is limited and what we have received is of poor quality. Clay for the mounds has been unavailable which reduces the durability with all day use.

Collectively, this puts pressure on the maintenance and presentation of the grounds week to week.

ii. Coaching & player retention:

As with prior years, we are currently well supported by eager and qualified coaching and MEBC is incredibly grateful for the time and effort that they commit to the sport.

MWDBA will continue to look at ways of supporting our coaches and ensuring that infrastructure and equipment is available to support their efforts.

Player retention continues to be a challenge and we need to do more to keep our juniors in the sport. Manly has a number of its players playing in the US college program and while we wish them all the success it adds to the retention challenges for the upcoming season. We will go out early in 2023 to source import interest for next season which has been a key component to club success.

iii. Volunteer support:

MEBC is blessed with great volunteers and support from parents and family. This is key to our continuing success and we need to keep attracting support and interest from the baseball community as we continue to build this club for the future players.

While we are progressing with these challenges, I look forward to the continuing support of MWDBA, MEBC and the baseball community as we promote and improve Baseball in this region.

Many thanks

Simon Lowde
MEBC Treasurer

Manly Eagles Baseball Club

Club Coach's Report

2022 - 2023

With the rain continuing to fall and our beloved Aquatic ball park taking a battering at the start of the season, left the club looking for alternate training facilities and playing field options. Resulting in a less than ideal preparation for the season. This may have meant a slower start to the season but our teams remained focused and as season progressed, the results came. All teams making improvements in the standing for all grades compared to last season. Under 18s finished in 6th place, 3s finished 7th, 1st Grade came agonising close to finals baseball with a 5th place finish and the 2nd grade team taking home the 2nd grade premiership. Well done to all teams this season.

We welcomed back our women's team again this season with some new faces joining the club which is great to see. The team played some excellent baseball throughout the season and did the club proud with placing 5th an unfortunately just missing out on finals baseball by 1 game. Hope to see you all back again next season.

We welcomed back the addition of imports this year after the covid travel restrictions were lifted and welcome Cody Ivey and Drew Gillespie to the club. Both adding strength to the 1st grade team.

Drew went on to agree to terms with the Blue Sox, whilst we missed him during the weekend games, he made up for this at Wednesday night games. Finishing with an ERA of 2.67, thank you for all your contributions this season, you're welcome back anytime.

Each of the teams had strong performers and I would like to congratulate the following players for finishing in the top 5 players of the league:

1st Grade:

- Tom Newbold – topped the league in OPS (1.048), batting avg (.438) & slugging avg. (.537)
- Drew Gillespie- 3rd best ERA in the league
- Shohei Arayama- lead the 1st Grade league with 88 strike outs for the season
- Leo Matsuo- third in the league with 71 strike outs.

2nd Grade:

- Brendan Haithewaite- top 5 in the league for Batting Average (.358)
- Ash Roberts- equal 1st in the league for RBI's (14), 2nd in the league for ERA (2.51), Lead the league in Strikeouts (49).
- Tim Fayle- 4th in the league for QAB's (27)
- Liam Mayo- 5th in the league for QAB's (26)
- James Miller- lead the 2nd Grade league in First Pitch Strike Percentage (74.1%)

3rd Grade:

- Erik Horvath- Lead the 3rd grade competition in strikeouts

Under 18's:

- Dan Mills (Pitching) - 2nd in the league for first pitch strike percentage
- Cameron Lorenzo- 2ND in the league for Batting avg(.410) , 3rd in the league for OPS (1.095) & top 5 for slugging %
- Kane Flew- top 5 in the league for QAB's
- Luke Donaghey – top 5 in the league for OPS (1.080)and Slugging %
- Zac Morris- top 5 in the league for batting average (.382)

It is always great to see our young players continuing to take up opportunities to keep building their baseball skills whilst studying overseas. We said a proud farewell to a few of our players during the season, who did just this and headed off overseas to join up with colleges to start their college baseball careers. These players were:

Sean Parkinson- Ventura, California

Wilson Spinks- Ventura, California

Daigo Yamaguchi- Osaka, Japan

We wish all 3 players the very best of luck, enjoy the experience!!

Throughout the season we had quite a few of our Manly playing group make representative appearances either for the state and national teams. Congratulations to the following players:

Kai McIntosh-Walsh- Sydney Bluesox & ABL All Stars

Drew Gillespie- Sydney Bluesox & ABL All Stars

Tom Newbold- ABL All Stars

Dan Mills- U/18 NSW & Australian National team

Zac Morris- U/18 NSW Team

Luke Donaghey- U/18 NSW Team

One thing the club achieved in round 13 this season was a clean sweep of Cronulla. This was a great result and quite a few years in between clean sweeps. (Possibly a decade)

We had a large group of scorers throughout the season, I would like to thank all of our scorers. Thank you for your support and dedication, we would be lost without you all.

Thank you to the Manly Coaching staff for their Insights, knowledge, flexibility, dedication, patience and persistence during what has been a great season. Looking forward to seeing you all next season.

Also a big thank you to the grounds staff and all that worked on the fields this season, committee, canteen staff, Luke and the EBSN team and all the volunteers for their contributions throughout the season, you all make this club the amazing club it is.

Lastly, thank you to all the players this season, you all put in the hard work, played hard and represented the Manly jersey with pride in what was progressive season. hope to see you all back again next season to continue building on the momentum we have built this season.

Tim Clarke

Manly Baseball Club Coach

Manly Eagles Baseball Club

1st Grade 2022 – 2023

Part 1:

The Manly Eagles 1st-grade team has had an exciting and energetic year. As a young team, they have grown and matured over the last few years, gelling together to form a cohesive unit on and off the field. A force to be reckoned with in the coming years.

They have demonstrated impressive teamwork, supporting each other throughout the year which will lead them to success in future years. Not only have they grown as a team, but they have also grown as individuals. Each player has had the opportunity to shine in their own way, and they have all contributed to the team's success.

It has been my pleasure to be involved with this team and see them grow in confidence. There is big success coming with this group of players and it will be fun to watch over the next few years.

Due to other commitments, I had to step away from the role as 1st grade coach after 5 rounds. Many thanks to Brook Russell who stepped up and into the role and did a fantastic job for the remainder of the season. Also special thanks to our Club Coach Tim Clarke for all his efforts throughout the year.

The team finished the season with a six-game winning streak, however we missed a semi-final spot by a mere washed out game which was heartbreaking. On a positive note, it demonstrates that this team is not that far away from success.

It can be said that one of the most impressive aspects of this club is the spirit and fight within all of the teams within the State League competitions. The mentality of "one club" shines through. The players truly enjoy playing together and supporting each other on and off the field. Culture is so important to any organisation, and Manly has created a positive and inclusive environment where everyone feels welcome and valued. It is clear that the players have formed strong bonds and friendships that will last beyond the baseball season.

A big part of why this culture is strong, is due to the wonderful volunteers for this great club. Without mentioning all the names, I will shout out a big thank you to all our volunteers. You truly make our club great.

Looking forward to future years ahead.

Brian Murphy
First Grade Coach

Part 2:

The 2022/2023 Season for the 1st Grade squad was a tale of 4 seasons, games played before and after the break and the Wednesday and Weekend games.

The Squad was 8 wins, 11 losses before the break and 6 wins, 2 losses after the break. On Wednesday nights, 7 wins, 6 losses and for the weekend rounds, 7 wins, 7 losses.

The squad finished the season 14 & 13 in equal 5th, missing the finals by 0.041% points.

The run totals for the season were 70 for and 54 against on Wednesday nights and 80 for and 108 against for the weekend games.

The results for the season ran the entire gambit of outcomes with big wins, big losses, tight wins and tight losses. An epic 9th inning come-back that resulted in a 12 innings win against Ryde and a walk-off win in the last game of the season.

The squad, like the entire State League program, started the season with uncertainty about the availability of Aquatic which was still suffering the effects of the 2022 wet weather.

The 1st Grade squad is a talented core of players supported off the bench by equally talented players from the lower grades.

The pitching group are an exceptionally talented group with Shohei Arayama and Leo Matsuo being perennial starters, both journeyman, who consistently went deep into the games, including 3 complete games from Shohei and 1 from Leo. The regular relievers, Drew Gillespie and James Miller were a picture of consistency out of the bullpen, building on the solid foundation of the starters. Tom Newbold, Wilson Spinks and Dan Mills also contributing to the solid pitching ranks.

The bedrock of the squad was our catcher, Kenny Naito. Kenny was outstanding behind the plate with over 180 innings caught for the season and strong with the bat including the epic walk-off hit in the final game of the season.

The regular infield of Luke Brown, Yoshi Umezawa, Tristan Watts, Tatsuya Hiromatsu and Kai McIntosh-Walsh were solid all season. Luke Brown's sure hands and amazing picks at 1st base, Kai and Yoshi's range up the middle, Tristan and Tatsuya's hands at the hot corner were a joy to watch every game. Another outstanding contribution in the 2nd half of the season was Taka Hyoda's sure hands at 1st base, maintaining the strong play of the infield.

The outfield of Tom Newbold, Zac Newbold, Gabriel Mateu and Cody Ivey were strong, showing great range, ability to track the ball and cut down runners.

The entire squad had a solid season with the bat, but there is always room for improvement with the consistency of run production being down in the 1st half of the season. Tom Newbold was the stand-out with the bat.

Our 2 imports, Drew Gillespie and Cody Ivey are great guys who fit perfectly into the squad. Drew's pitching prowess gave the coaching squad comfort that, when he came out of the bullpen or gave us a start, he would produce a quality outing to keep us in the game or maintain a lead. He was also strong as a regular designated hitter, regularly having quality at bats, getting a hit in his 1st at bat with the squad. Best of luck on your return to the USA.

Cody was an enigma in the squad, the exceptional quality of the squad made it difficult to get him into the game, but when he did at right field or 1st base, he maintained the strong play of the squad. Cody struggled with the bat, but you cannot have a more epic breakout of a slump than to get your 1st hit with 2 outs, 2 on base, 2 strikes in the top of the 9th losing 4-2 to tie the game 4-4. His last game with squad, being a multi-hit game, before returning to the USA.

This brings me to the game at Ryde on Saturday, 28 January, an epic 12 inning come-back win. The squad was down early, but the 3rd, 4-0. Pairing back to score to 4-2 with a run in the 5th and 7th. Scoring 2 in the 9th to tie 4-4. Zeroes from both sides in the 10th & 11th then we came out and

blasted 4 runs in the 12th, blanked Ryde in the bottom to win 8-4. The entire squad contributed to the win with players coming off the bench to have an impact. A couple of stand-out performances, Leo Matsuo started the game, throwing 92 pitches 5+ innings, Drew Gillespie coming out of the bullpen in the 6th, completing the game, throwing 95 pitches in 5+ innings. Kenny Naito caught the entire game. Tom Newbold having an outstanding multi-hit game, along with Cody Ivey. In my 50 years of baseball, this was one of the great games I have been involved in.

I came into the squad on 5 November as the interim Head Coach when Brian Murphy took up his role with the Sydney Blue Sox. My expectation for this season, coming out of the Junior Competition, was to hang out in the clubhouse and watch State League baseball. I was surprised to have been asked to take up the role, as I am sure others were. I have known Brian for more than 30 years and I want to thank him for the opportunity.

Thank you to the squad, I had previously coached Tom, Zac, and Luke, but I was an unknown to the rest. They accepted me into the squad, giving me another season of coaching an exceptional group of baseballers.

I hope to see the players back next season to continue on the strong finish of this season.

Thank you to our head coach, Tim Clarke, for accepting me into the role and our partnership managing the squad. Thank you to Chris Dutton for your assistance with the squad.

Thank you to all the players from the other squads, particularly the 18s, who filled the bench each week, your presence allowed the coaching group to comfortably make changes during the games knowing that the quality of play would be maintained.

Thank you to Melissa Haithwaite and all of the scorers for your support during the season.

Thank you to the volunteer group that maintained Aquatic 1 for the season, it was an uncertain and uneasy start to the season due to the rain and this continued throughout the season.

Good luck to Tom Newbold, who is heading to France to continue his baseball career.

Finally, thank you to Michael O'Neill and the State League committee for your hours and hours of commitment to the squads and Manly Baseball. It is testament to you and your group that we only had 1 washout for the season. The atmosphere on Wednesday nights and Saturdays was epic with regular crowds counted in the 100's, undoubtedly the best atmosphere in all of NSW baseball and also the best canteen and food in all of NSW baseball.

Brook Russell
Interim 1st Grade Head Coach.

MANLY EAGLES FIRST GRADE

Manly Eagles Baseball Club

2nd Grade 2022 – 2023

Our 2nd grade team returned this season with one goal in mind after a disappointing ending to the previous season. This goal was to win a premiership.

The team had some new and familiar faces return this season with the addition of Wilson Spinks, Sean Parkinson, Adam Charman & Taka Hyodo all making significant contributions throughout the season. As the team started to gel in the early part of the season, we gathered wins against strong opponents. Our pitchers Ash Roberts, Wilson Spinks and Adam Charman delivered consistent and strong outings on the mound, and our batters hitting runners around and scoring runs. The team went into the Christmas break in 3rd place with a 6-2-1 record. It was obvious to all in the team we had the players and the form to achieve our goal.

As we entered 2023, we had to say farewell to Wilson Spinks and Sean Parkinson as they departed for the USA to start their college baseball careers and Adam Charman sustained season ending knee injury in the first game back after the break. These 3 departures left a big hole in the team especially our pitching, but this whole was soon filled with Kane Flew, Kai Garlick, Zac Morris and Luke Donaghey from the 18s team and James Miller coming into the team to bolster the pitching. The team stepped up to the challenge and notched up 3 wins from the last 5 games of the regular season. As the dust settled on the regular season the team fished in 2nd place at the end of the season proper. We were another step closer to our goal, with a major semi-finals birth against minor premiers Blacktown. The feeling amongst the team was great, confidence was high and hungry for a win against a team we hadn't beaten this season.

The major semi game day came and saw strong performance from James Miller and Ash Roberts on the mound and strong hitting from the team ending with 11 hits with Tim Fayle, Liam Mayo and Dan Goodsell all with 2 hits each. Taking the win 9-1 over Blacktown, advancing to the Grand Final.

Grand Final day arrived and we were up against Ryde Hawks, taking an early lead by scoring 1 run in the first, Ryde answering this leading 5-1 by the 4th. We rallied as a team and took the lead for good with five runs in the fifth inning. Ashley Roberts stepped in to take over from James Miller on the mound and delivered an MVP performance leading the team to victory on the hill. Ash allowed one hit and one run over five innings, striking out four. Leading 7-6 into the 9th the game came down to the wire with 2 out and loaded bases, and the fly ball was hit and Luke Donaghey taking the final out with the catch in left field. We had done it, 7-6 win and a premiership in hand. We achieved our goal and the job is done!

All of our pitchers stepped up this year and led once again by Ash Roberts (ERA 2.512), James Miller (ERA 3.812), Adam Charman (ERA 2.298), Wilson Spinks (ERA 4.50). Well done to you all.

The team had a strong season with the bats, stringing the hits together and scoring runs at crucial points in games, this was led by Brendan Haithwaite (Batting Avg. .358), Ash Roberts (Avg. .333), Kane Flew (Avg. .409) and Kai Garlick (Avg. .500).

Thank you to the under 18s who stepped up and contributed to the team and games where needed. These players were: Kane Flew, Kai Garlick, Zac Morris, Luke Donaghey, Max Austin, Angus Wyles, Josh King, Will Tibbett.

I would like to thank our scorers (Melissa Haithewaite, Lisa Mayo and Julie Logue) for your support and dedication this season.

A big thank you to my right hand man this season and assistant coach Gavin Parkinson, your insights, stats analysis and being there to bounce ideas off was awesome.

This season we farewell one of the club's long standing players, Daniel Goodsell as he has decided to hang up the boots from State League. Thank you Goodie for your dedication, commitment and contribution to the club over many years, we wish you all the best for the future.

Lastly, to all our players this season thank you and congratulations on winning the 22-23 2ND Grade State League Premiership. Very well deserved. See you back next season.

Tim Clarke
2nd Grade Coach

Manly Eagles Baseball Club

3rd Grade 2022 – 2023

Well, it had been nearly 25 years since I had been involved in State League with Manly Baseball Club, to say things have changed would be an understatement, amazing what outside noise and perceptions can do to one's thinking.

This club is in great shape fielding strong rosters in all grades and an administration team second to none – we all know about the canteen's reputation across Sydney.

With a solid basis of 1st 2nd & 3rd graders along with a plentiful U/18's roster combined with the work that is being done with our Manly Junior Representatives, success should come to this club over the coming years. We need an emphasis on retaining our Representative Juniors - that we have invested time in over the years - to ensure that translates to enthusiasm, a winning culture and a willingness to represent this club and use its resources to benefit and encourage their baseball pathways. With this progression we will see healthy competition for positions throughout all grades.

As mentioned previously to Mike, Luke, Simon, Vivienne, Jack, and anyone else I may have left out that does a great job for this club – I also thank you guys for the 100% support you guys give. Everyone is fantastic!

Tim Clarke - Great job buddy, I hope to share this journey and hopefully the success that comes with it, with you over the coming years.

To the scorers who are there every week, we can't play this great game without you, so thank you so very much!

To Chris Dutton and Matty Goddard always willing to be there and offering those insights that I may have overlooked. (May have 😊)

Onto our 3rd grade season, I remember at the start of the year chatting with a few people and they were asking how I thought we were looking "I said there is no way this team should not be contending, at the very least, and possibly even win the whole thing".

Wow another under statement – honestly this team has the talent to achieve those expectations and very well should have.

On paper we had Starting & Relief Pitching, Good Defence and Solid Hitting.

On the field we had No Hustle, No Mental Awareness, and No Willingness to represent at a high level. Oh, and the baserunning Arrrgh !

It is disappointing to see such a talented group unable to release their potential consistently, but I stand by my comments and if this bunch can stick together with a few of the U/18's and the relative Juniors coming through I believe the potential is there to win 3rd grade premierships regularly.

Special mention to our battery of Erik Horvath - who after a few years away from State League decided to return and pitch for 3rd grade, Erik can dominate this league if he puts his mind to it and should be a great asset to this club for years to come – Ollie Tibbett for his Ironhorse work behind the dish and his substantial contributions with the bat which have earned him this years MVP for 3rd grade.

Stefan Simic for filling that six-hole hitting .344, Chris Hurley & Col Rosello for adding the veteran bats and some punch to our line-up and Dion for his upbeat attitude and Gold Glove play in Centre.

TJ, well I think this guy would die for this club and nearly did, loved every minute of having had coached you this year, albeit not the last few..... get well mate!!
Jared & Cam great year guys, I would love to see these two gunning for an opportunity in 2nd grade next year – put the work in boys!!
To the others that were not so regular but played a part I thank you for your contributions and your positive attitudes towards game time.

As I was writing this the player's player had not been finalised however to me, they are all deserving although the results were not there, the comradery increased towards the end of the year and we grew together as a team, with all those negatives - No Hustle/Urgency/Enthusiasm, No Mental Awareness, and No Willingness to represent at a high level – starting to turn around, we will only get better and be better for it.

As I say it is not a one-year plan and every day is a good day for baseball!

See you all next year.

Bold Prediction: Manly Eagles Club Champions 2023/24!

SEASON SUMMARY

GAMES PLAYED	14
WON	3
DRAWN	0
LOST	11
RUNS FOR	54

Manly Eagles Baseball Club

U18s 2022 – 2023

We started the season with expectations of a top 3 finish. The competition was strong, and unfortunately we started slowly - very slowly. Half way through the competition we had won only one game (losing 5, two of them by one run). We left too many runners on base.

We entered the second half, with optimism, knowing we could beat them all (and would need to to make the finals). The second half showed how competitive we were, with an outstanding 5-1-1 record, needing a few results to go our way on the final day. But - alas - they didn't and we missed the finals by one game.

The competition gave all players a chance to play at a very high level, and it was a pleasure to see the great improvement during the season. Special thanks to Chris Dutton for his work with the team at practice and his enthusiasm on game day.

Our defence was outstanding. Cameron Lorenzo patrolled centrefield, making numerous outstanding catches, and causing great frustration for many opposing hitters who were sure they had extra bases. Zac Morris and Luke Donaghey both made regular exceptional defensive plays.

Our pitching was strong, with Angus Wyles, Max Austin and Dan Mills. Angus and Max both flirted with runners on base, but usually managed to strand them. Dan had an exceptional WHIP of 1.27.

Our two underage catchers did a great job, and the experience will stand them in good stead for next season.

It was also great to see some of the guys getting time in first and second grade, where they held their own.

Special thanks to our scorers, Diana King and Alena Donaghey for their hard work. Very much appreciated.

Best wishes for Kai, Jackson, Jaden, Troy and Angus as they join the grade season next year, and I look forward to seeing the development of the younger guys in U18s again next season.

We won't start slowly again!

Grant Anderson and Sean Chivers

Manly Eagles Baseball Club Women's 2022 – 2023

The Manly Eagles played in the NSW Baseball Div 2 Women's competition again this season. The club saw 5 new faces with 7 of the girls returning from last season. We had 3 girls come over from softball to try their hand at baseball and 2 of the girls coming from a cricket background as well.

Cass Donald was our starting pitcher again this year and did a fantastic job again for us. Cass was backed up on the mound by Leni Ward and Izzy Demol, all 3 girls did the Manly club proud on the mound again. It's amazing to see just how hard these girls work on the mound with a good defensive behind them.

Izzy Demol, Leni Ward and Caroline Jagger took up our catcher's roles this year with Caroline taking on the starting catcher's position for us. A new player to the club and didn't look out of place at all behind this dish. Leni and Izzy strong as well when we needed them to jump from the field to the plate.

The team unfortunately just missed the finals this year by 1 game, but not much you can do with only playing 3 games after the Christmas break due to wash out and a couple of forfeits, there is always next year girls. I'm so happy with the team's growth and development throughout the year and the way they all came together and helped each other out at training and games.

There were a few stand outs this year, with Leni Ward being the first women's player to hit for the cycle in the first game of the year. Cass Donald being strong as ever and leading from the front on the mound. Vanessa a new player being solid with the bat and driving in a heap of runs for us.

I'd like to thank Luke and Todd Eisenhauer for their work and efforts helping me this season. Thanks Luke and Todd.

Lastly, I would like to thank Lyn Donald for being our scorer this year, and to Helen Ward for taking on the game changer role. It has been a great help and made things a lot easier knowing I have some very trusted people behind myself and the other coaches.

Thank you to all the girls for the great season, we definitely had our ups and downs and you were all a great bunch of girls to coach and watch grow on the baseball diamond and I wish you all the best of luck next season. Hopefully we see you all back in the Manly jersey next year.

Chris Hurley
Women's Coach
